

**City of Morro Bay & Cayucos Sanitary District
Wastewater Treatment Plant Upgrade Project
California Coastal Commission Appeal Alternatives Analysis
Public Workshops**

Monday, June 27, 2011

6:00 PM – 8:00 PM

Tuesday, June 28, 2011

11:00 AM – 1:00 PM

Veterans Memorial Building

209 Surf Street, Morro Bay, CA

Agenda

The goal of these workshops is to receive comments to ensure conduct of a thorough and balanced alternatives analysis in response to comments raised during the California Coastal Commission (CCC) appeals process through facilitating public and agency input, and responsiveness to comments and concerns during the proposed site screening process.

1. Welcome and Introductions (R. Dennis Delzeit – 5 minutes)
2. Project CCC Appeals Process/ Alternatives Analysis Work Plan Presentation (Dudek – 10 minutes)
3. Open Forum/ Information Stations to Provide Comments (All – 45 minutes)
 - Alternative Site Identification/ Candidate Rough Screening Criteria
 - Coastal Commission Appeals Process/ Local Coastal Program Policy Consistency
 - Logistics/Site Constraints
 - Water Reclamation Feasibility
4. Summary Forum Wrap-up (Project Team – 25 minutes)
5. Public Comment Period (All – 30 minutes)
6. Closing Remarks (R. Dennis Delzeit – 5 minutes)

** Comments may be submitted, in writing, for consideration by the City and MBCSD throughout the workshops. Comments may also be submitted electronically by Friday, July 1 at 5:00 pm through a comment form provided at the following URL: <http://www.morro-bay.ca.us/wwtpupgrade>.
