

CITY OF MORRO BAY PUBLIC WORKS ADVISORY BOARD AGENDA

*The City of Morro Bay is dedicated to the preservation and enhancement of the quality of life.
The City shall be committed to this purpose and will provide a level of municipal service and
safety consistent with and responsive to the needs of the public.*

**Wednesday, November 16, 2016
Veterans Memorial Building - 5:30 P.M.
209 Surf Street, Morro Bay, CA**

Steven Shively, Vice-Chair
Janith Goldman

Marlys McPherson, Chair
Ric Deschler
David Sozinho

Christopher Parker
Stewart Skiff

ESTABLISH QUORUM AND CALL TO ORDER
MOMENT OF SILENCE/PLEDGE OF ALLEGIANCE
ANNOUNCEMENTS
PRESENTATIONS – None

PUBLIC COMMENT PERIOD

Members of the audience wishing to address the Board on City business matters not on the agenda may do so at this time. To increase the effectiveness of the Public Comment Period, the following rules shall be followed:

- When recognized by the Chair, please come forward to the podium and state your name and city of residence for the record.
- Comments are to be limited to three minutes.
- All remarks shall be addressed to the Board, as a whole, and not to any individual member thereof.
- The Board respectfully requests that you refrain from making slanderous, profane or personal remarks against any elected official, commission and/or staff.
- Please refrain from public displays or outbursts such as unsolicited applause, comments or cheering.
- Any disruptive activities that substantially interfere with the ability of the Board to carry out its meeting will not be permitted and offenders will be requested to leave the meeting.
- Your participation in Board meetings is welcome and your courtesy will be appreciated.

A. CONSENT CALENDAR

- A-1 Approval of Minutes of October 19, 2016 Meeting
Recommendation: Approve minutes.

B. BUSINESS ITEMS

- B-1 Directors Report – Informational summary of current Public Works Activities
Recommendation: Information item, no action needed.

- B-2 Centennial Staircase Plan Concept Plan
Recommendation: Review and provide any comments to be forwarded to the City Council.

C. POTENTIAL FUTURE AGENDA ITEMS

- Review 2016/2017 Work Program - January
- Memorial Bench, Tree, and Bike Rack Program
- Adopt a Street/Park

D. ADJOURNMENT

Adjourn to the Public Works Advisory Board meeting at the Veteran's Memorial Building, 209 Surf Street, on Wednesday, January 18, 2017 at 5:30 p.m.

This agenda is subject to amendment up to 72 hours prior to the date and time set for the meeting. Please refer to the agenda posted at the Public Works Department, 955 Shasta Avenue, for any revisions or call the department at 772-6263 for further information.

Materials related to an item on this Agenda are available for public inspection during normal business hours in the Public Works Department at 955 Shasta, City Hall at 595 Harbor, Mill's/ASAP at 495 Morro Bay Boulevard, or the Morro Bay Library at 695 Harbor, Morro Bay, CA 93442. Materials related to an item on this agenda submitted to the Board after publication of the agenda packet are available for inspection at the Public Works Department during normal business hours or at the scheduled meeting.

This agenda may be found on the Internet at: www.morrobayca.gov/pwab or you can subscribe to Notify Me for email notification when the Agenda is posted on the City's website. To subscribe, go to www.morrobayca.gov/notifyme and follow the instructions.

In compliance with the Americans with Disabilities Act, if you need special assistance to participate in this meeting, please contact the Public Works Department at (805) 772-6263. Notification 24 hours prior to the meeting will enable the City to make reasonable arrangements to ensure accessibility to this meeting.

MINUTES - PUBLIC WORKS ADVISORY BOARD (PWAB)
REGULAR MEETING – OCTOBER 19, 2016
VETERAN'S MEMORIAL HALL – 5:30P.M.

AGENDA ITEM: <u>A-1</u>
DATE: <u>November 16, 2016</u>
ACTION: _____

PRESENT:	Marlys McPherson	Chair
	Steve Shively	Vice-Chair
	Ric Deschler	Board Member
	Janith Goldman	Board Member
	Chris Parker	Board Member
	Stewart Skiff	Board Member
	David Sozinho	Board Member

ABSENT: None

STAFF:	Rob Livick	Public Works Director
	Rick Sauerwein	Capital Projects Manager
	Janeen Burlingame	Management Analyst
	Gina Gregory	Office Assistant

ESTABLISH QUORUM, CALL TO ORDER AND MOMENT OF SILENCE

The meeting was called to order at 5:31 p.m. A quorum was present and there was a moment of silence.

ANNOUNCEMENTS

<https://youtu.be/JKL6clOqU8k?t=1m12s>

David Sozinho stated the Morro Bay Surfboard and Art Festival is going on now through the end of November with surfboards on display throughout Morro Bay. The art sale will be December 3rd at the Inn at Morro Bay and benefits will go towards Morro Bay in Bloom as well as Project Surf Camp.

PRESENTATIONS – None

PUBLIC COMMENT PERIOD

<https://youtu.be/JKL6clOqU8k?t=2m34s>

The public comment period was opened.

Rigmor Samuelson expressed satisfaction with Morro Bay Garbage Service noting they do a terrific job, were very helpful when she needed it, and is very proud of them. She noted regarding the new food can that greenwaste cans should be smaller for those who don't have a lot of yard trimmings. She complimented Walter Heath on doing a terrific job with Morro Bay in Bloom.

Walter Heath complimented Pam Newman of the Public Works Department for her presentation of the Landmark Trees in Morro Bay at the American Blooms Symposium in San Luis Obispo. He noted a concern about the remediation project between the City and State Parks beach regarding the removal of the ice-plant which is coming back and stated local volunteer groups are willing to help eliminate this. Morro Bay was presented with three awards at this year's symposium and trophies will be on display at City Hall. A special note to all that the art sale is not just for the surfboards.

The public comment period was closed.

A. CONSENT CALENDAR

A-1 APPROVAL OF MINUTES OF SEPTEMBER 21, 2016 MEETING
<https://youtu.be/JKL6clOqU8k?t=11m16s>

MOTION: Steven Shively moved to approve Items A-1. The motion was seconded by Stewart Skiff and carried 7-0.

B. BUSINESS ITEMS

B-1 DIRECTOR'S REPORT – INFORMATIONAL SUMMARY OF CURRENT PUBLIC WORKS ACTIVITIES
<https://youtu.be/JKL6clOqU8k?t=11m49s>

The Board asked questions of staff and commented on the Director's Report.

B-2 MORRO BAY GARBAGE SERVICE BASE YEAR RATE ADJUSTMENT APPLICATION
<https://youtu.be/JKL6clOqU8k?t=32m25s>

Janeen Burlingame presented the staff report.

The public period was opened for comments.

Linda Merrill expressed appreciation to the committees that allow the public to speak openly about what's concerning us. She expressed concern about the increase in refuse during busy weekends and after long holidays, noting that we may need additional pick-ups. She wanted to know if the new truck to be purchased would be quieter.

The public comment period was closed.

Discussion, comments and questions continued amongst Board members and staff.

MOTION: Ric Deschler moved recommending to City Council that they approve the new proposed rate structure as presented. The motion was seconded by David Sozinho and carried 7-0.

ADJOURNMENT

The meeting adjourned at 7:03 P.M. to a regular Public Works Advisory Board meeting to be held on Wednesday, November 16, 2016 at 5:30 p.m. at the Veteran's Memorial Building, 209 Surf Street.

AGENDA NO: B-1

MEETING DATE: November 16, 2016

Staff Report

TO: Public Works Advisory Board **DATE:** November 10, 2016
FROM: Rob Livick, PE/PLS – Public Works Director/City Engineer
SUBJECT: Director’s Report / Information Items

Please contact the individual staff members prior to the meeting, if possible, for more detailed information.

Notify Me: Sign up for Notify Me on the City’s Website www.morrobayca.gov/notifyme for notification of Council, Board’s and Commission’s agendas and minutes.

Service Requests: The City has a feature to the City’s website, Service Requests www.morrobayca.gov/905/Service-Requests, or the mobile App “My Morro Bay” (Available on both Android and IOS operating systems) where citizens can report a concern to the City for predetermined issues without the need to phone the City during business hours (for example: reporting a pothole).

Staff can also add Service Requests for someone over the phone or in the office if they do not have access to a computer. Each category in Service Requests is assigned to the appropriate staff member to handle so citizens don’t have to figure out what department to contact for an issue they need to report on.

BICYCLE/ALTERNATIVE TRANSPORTATION

Staff Contact: Rob Livick

Amgen announced that Morro Bay will be the finish for Stage 3 for the Tour of California. See press release <http://www.morro-bay.ca.us/DocumentCenter/View/10147>.

CONSOLIDATED MAINTENANCE

Staff Contact: Mike Wilcox

The photovoltaic systems planned for installation on 6 City owned buildings are nearly complete at 5 locations; Community Center, City Hall, Police Department, the old Dial a Ride, and the Veteran’s Memorial Bldg. Installation of the system at Public Works will begin immediately following the termite fumigation at this location scheduled for the Veteran’s Day weekend.

Staff is gearing up for major renovations at public restroom facilities that will include low flow fixtures, new floor surfaces at several facilities, and standardized public signage.

Octopus Prime a.k.a. the Kraken and the Floating Barrels have been installed and released for public play at Tidelands Park. Further improvements on the horizon include the installation of 2-3 Dolphin Spring Riders that will appear to be swimming alongside the Pirate ship, new hand rails and decking replacement for the ship.

If you have maintenance requests, please call 772-6261, use the smart phone app, myMorroBay, available for android and iPhone, or use the City's Service Requests online system on our website www.morrobayca.gov/905/Service-Requests. Upon receipt, the electronic requests will be reviewed and assigned to the appropriate staff for action. In the future, the City will be upgrading to a fully integrated maintenance work order system that will allow you to view the progress of your requests.

SIDEWALK REPAIR AND INSTALLATION

Staff Contact: Rick Sauerwein

2016 CDBG ADA Accessibility project: The County Board of Supervisors approved reallocation of prior year funding to provide up to \$236,418 in additional funding to fill gaps in our existing sidewalk network to improve ADA Accessibility. Staff has completed the new sub-recipient agreement and forwarded to the County for final signature so that new delivery orders can be issued for both the new 2016CDBG funding as well as this reallocation. A new IDIQ contract Sidewalk contract is being prepared for bid.

The City's contractor has completed sidewalk repairs to address lifted panels of existing sidewalk.

SOLID WASTE

Staff Contact: Janeen Burlingame

The City Council will be holding a public hearing at its November 15, 2016 meeting to consider the Morro Bay Garbage Service rate adjustment application and approving the requested increases to solid waste rates that would become effective January 1, 2017, January 1, 2018 and January 1, 2019, provided there is not a majority protest vote against such an increase. As of the writing of this report, there have been 3 protest votes submitted.

STORM WATER

Staff Contact: Damaris Hanson

The rainy season is upon us and this means that City Maintenance crews are making sure our storm drains are clear and are cleaning all high priority drains. Please remember that debris such as leaves and twigs can prevent water from flowing from gutters into storm drains and cause localized flooding. To prevent clogging of these drains, properly dispose of yard waste in green waste bins. The City would also like to remind citizens, if you see a clogged storm drain, and if it is safe, you may attempt to remove the debris with a garden rake. If there is a significant blockage, contact the Public Works Department, 805-772-6261.

STREETS

Staff contact: Rick Sauerwein
Jarrod Whelan

City Council has approved award of a new Street Preservation Indefinite Quantity, Indefinite Delivery Contract ("IDIQ") to Pavement Coatings Company of Woodland, CA. This contract will have an initial 2-year term with the option to extend the contract for two more 2-year terms. This will provide staff the ability to award new work as soon as additional funding becomes available. A final list of the street work is posted on the City's Website. Work is expected to begin this month.

The City Council has directed staff to develop possible funding options indicating how much could be raised, strengths, challenges and implementation issues. This will return to the new Council after the first of the year and will be addressed in next year's budget discussions. Options that may be considered include:

- Allocating Excess (>10%) Emergency Reserve Funds to pay for immediate street improvements
- Dedicating excess Measure Q funding after the Fire Station 53 debt is paid off
- Allocating excess yearend budget surpluses to a dedicated Street Improvement Fund
- Obtaining voter approval for a dedicated citywide street tax if Measure J fails
- Establishing Parking Fees on Embarcadero, Downtown & at Morro Rock for dedicated Street Improvement Fund
- Establish a citywide Parcel Tax dedicated to Street Improvement Fund
- Establishing Neighborhood Street Improvement Districts, and/or
- Allocating a portion of Transient Occupancy Taxes to a dedicated Street Improvement Fund

TREES – Urban Forest Management

Staff contact: Damaris Hanson
Mike Wilcox

Staff is pleased to announce that Morro Bay won Best Heritage Tree Program at the American in Bloom Symposium! Morro Bay competed alongside several other cities and Morro Bay was among the finalist along with another City in California and Ohio.

The City also won for the second consecutive year as the "most civic-minded, environmental-conscious, tree friendly, heritage-cherishing and welcoming city in the 10,000-14,000 population category". HUGE thanks goes to Morro Bay in Bloom and Walter Heath for this award!

WATER – Chorro Stream Gauge

Staff Contact: Rick Sauerwein
Pamela Newman

No change this month. Staff is still working with the Assistant City Attorney to address Appropriated Right issues identified during our meeting with State Water Resources Control

Board. The City's consultant, WSC, has responded to National Marine Fisheries Service (NMFS) concerns and is awaiting a response. Mitigated Negative Declaration has been completed, but the City's Planning Commission and County Permitting cannot proceed further until we can respond to NMFS concerns regarding fish passage and obtain property owner permission to install gage on San Luis Coastal Resource Conservation District property. This requires the approval from the USDA/NRCS who hold a conservation easement.

WATER – Nutmeg Tank Replacement

Staff Contact: Rick Sauerwein
Jarrod Whelan

No change in status: Mitigated Negative Declaration has been revised but County Permitting is on hold until a new RFP is drafted.

WATER – Operations

Staff Contact: Rob Livick
Jamie James
Damaris Hanson

On Friday, November 4, 2016 the California Coastal Commission approved the City's Coastal Development Permit application for continued use of the seawater wells and discharge. This permit is for non-routine emergency use of the Desalination facility. The City is working towards obtaining a permit for the permanent use of the seawater wells and Desalination facility with the California Coastal Commission.

During the month of October, the City's four-person field crew in water performed 636 work requests. These include but not limited to water samples, USA requests, exercising valves, resetting meter boxes, water turn on, meter re-reads and turn off notices.

The water crews will be working with Mike Nunley & Associates and GSI Water on a sampling plan to test the City's seawater wells to begin the process of addressing the issue that causes rapid fouling of the filters and the RO membranes.

WATER – Water Conservation

Staff Contact: Damaris Hanson

Water conservation has been holding strong in Morro Bay!! Great job everyone! In September overall water consumption was down 23% compared to water usage in August on 2013. Keep up the good work!

Water conservation rebates available; Cash for grass, rain barrel, irrigation retrofit, SMART irrigation controller, toilet retrofit and Energy star washing machine. State rebates now available for removing grass (up to \$2 per sq. ft.) and replacing a toilet that flushed more than 1.6 gallons per flush (\$100). Go to www.saveourwaterrebates.com.

WASTEWATER – Collections

Staff Contact: Bruce Keogh
Dave Zevely
Jarrod Whelan

The City's five-person field crew in wastewater collections cleaned about 15,000 feet of sewer main, collected flowmeter data, inspected newly-installed lateral connections to City mains, performed lift station maintenance, assisted in a citywide creek cleanup, assisted WWTP Staff, conducted 3 industrial pretreatment and 8 source control inspections, and setup an automatic start/stop control circuit for standby power at a lift station near Cloisters.

In October Staff responded to a mainline sanitary sewer overflow and promptly restored flow to the main line.

WASTEWATER – Operations and Maintenance

Staff Contact: Bruce Keogh
Jarrod Whelan

Purchase and Installation of New Distributor Arms and Biofilter Improvement Project

Staff will continue to work with City Public Works Engineering staff and MKN for the purchase and installation of new distributor arms on biofilter #2. There will be a long lead time of sixteen to twenty weeks for receipt of the equipment once a purchase order is issued, so the funding for this project was rolled over and included in the FY16/17 budget.

During the month of plant the following projects were completed:

- The biosolids in storage at the plant were hauled to Liberty Composting Facility in Kern County. Approximately 300 cubic yards of biosolids were transported to the composting facility. The volume of biosolids hauled represents one years worth of dried biosolids for the communities of Morro Bay and Cayucos.
- Staff from Paul Rieger Boiler Company performed the annual inspection and maintenance service on the boiler system used to heat the digesters.
- Plant and collections staff worked together to monitor the discharge from a commercial laundry in Morro Bay. The concern was the laundry was discharging effluent with an elevated pH which can have downstream impacts on the wastewater treatment plant. The effort was successful in getting the laundry's acid neutralization system operational so the discharge remains between a pH of 6 and 9 (per Municipal Code requirements).
- Staff continued to investigate operational issues associated with a plant upset during the month of October. The upset has influenced the secondary treatment process and impacted settling within the plant. While the plant met the NPDES permit requirements for October, the total suspended solids concentrations were slightly elevated for the month with a monthly concentration of 51 mg/L (for the year 2015, the monthly average concentration for total suspended solids was 31 mg/L). Staff will continue to investigate operational issues to improve plant performance and efficiency.

WASTEWATER – NEW WRF

Staff Contact: Rob Livick

The draft of the Facility Master Plan will be published on November 10, 2016. This will be followed by a presentation and public workshop from 1800-2000 (6-8 p.m.) on November 14, 2016 in the Multipurpose Room in the Morro Bay Community Center. The Facility Master Plan is expected to be complete in January 2017 with the Certification of the EIR to be complete by the December 2017. That will give the City 2-1/2 years to complete the design build phase of the project.

Additional and updated information on the WRF project is available on the City's website (<http://morrobaywrf.com/>).

Schedule

Still on track for May 2021 delivery.

AGENDA NO: B-2

MEETING DATE: November 16, 2016

Staff Report

TO: Public Works Advisory Board **DATE:** November 9, 2016
FROM: Rob Livick, PE/PLS – Public Works Director/City Engineer
SUBJECT: Centennial Staircase Concept Plan

RECOMMENDATION

Staff recommends the Public Works Advisory Board (PWAB) review the Centennial Staircase Concept Plan and provide any comments to be forwarded to City Council.

FISCAL IMPACT

No impact at this time.

DISCUSSION

As part of the Fiscal Year 2015/2016 Goal setting process, the City Council identified one of the objectives as preparation of a plan that would both widen the Embarcadero sidewalk along the waterfront side of the street and provide a new vision for the Centennial stair area. The Centennial stair redesign has been termed the Centennial Parkway project (the "Project").

Stakeholder and workshop input has resulted in two design options for the Centennial Parkway project and an Embarcadero design that include both one-way and two-way traffic, bicycle accommodation as well as the desired sidewalk widening.

The concept plan was presented to Council, Planning Commission and Harbor Advisory on September 27, 2016. Because of the input received at that meeting the concept plan was revised to incorporate hose comments regarding incorporating elements from Option B into Option A. The revised concept plan is attached.

CONCLUSION

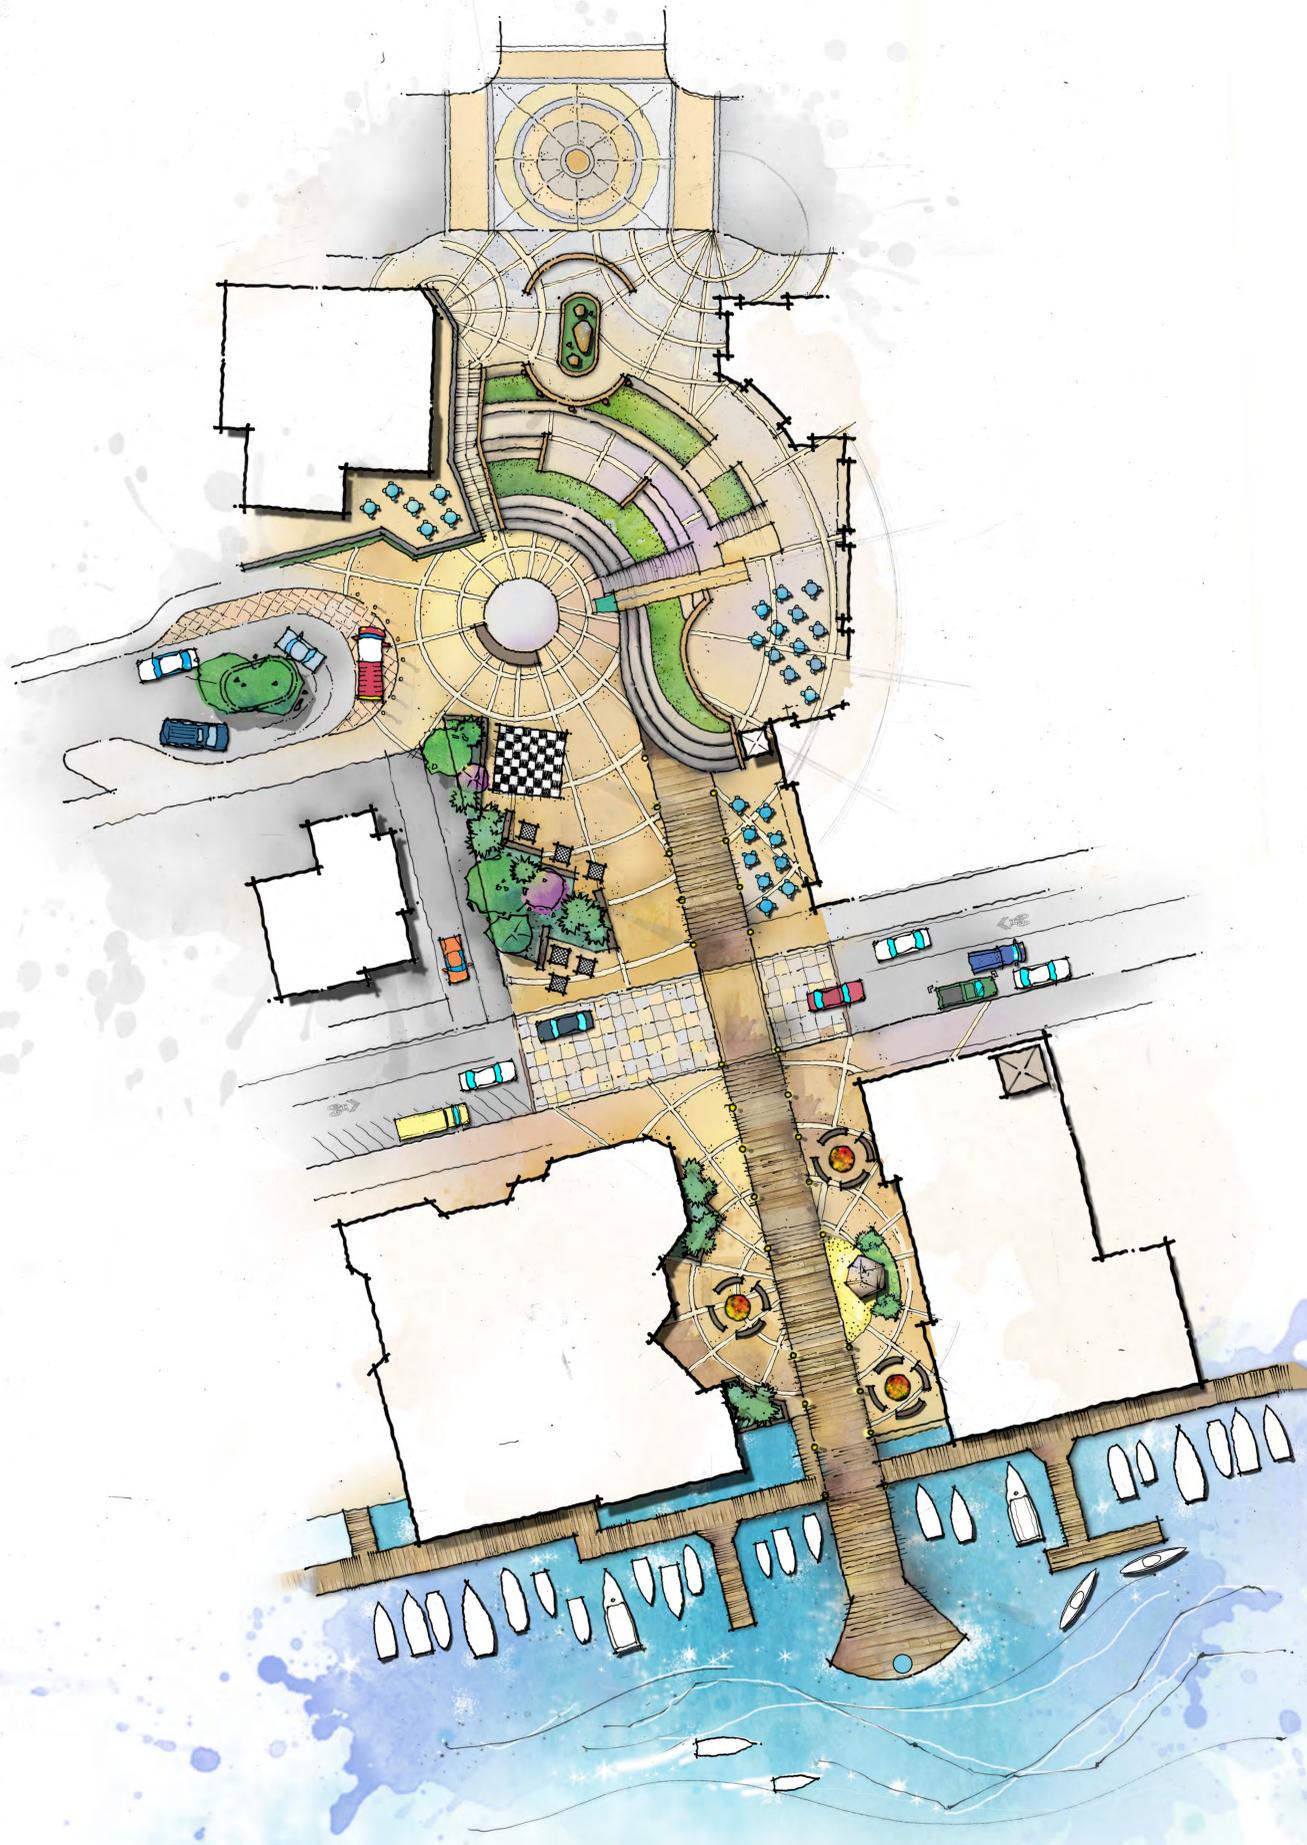

Staff is requesting the PWAB review the proposed concept plan and provide general comments regarding the concept and specific comments regarding the transportation related features, i.e. streets and sidewalk proposals.

ATTACHMENTS

1. Revised Concept Plan
2. Staff Report C-1 from the September 27, 2016 Council Meeting

Prepared By: ___RL___

Dept Review: _RL_

AGENDA NO: C-1

MEETING DATE: September 27, 2016

Staff Report

TO: Honorable Mayor and City Council **DATE:** September 19, 2016

FROM: Scot Graham, Community Development Director

SUBJECT: Review of the Centennial Parkway and Embarcadero Draft Design Plans

RECOMMENDATION

Staff recommends the City Council review the staff report and associated materials, receive the presentation by staff/consultant, receive input from the public and provide comment, as appropriate.

FISCAL IMPACT

None at this time.

BACKGROUND/DISCUSSION

As part of the Fiscal Year 2015/2016 Goal setting process, the City Council identified one of the objectives as preparation of a plan that would both widen the Embarcadero sidewalk along the waterfront side of the street and provide a new vision for the Centennial stair area. The Centennial stair redesign has been termed the Centennial Parkway project.

In August 2015, staff hired RRM Design Group ("RRM") to prepare plans for the project. The overall planning effort kicked off late September 2015, where meetings were held between RRM and City staff, followed by stakeholder interviews in March 2016. The stakeholder input helped set the direction of the May 25th public workshop (See stakeholder input provided in Attachment 1).

RRM led the May 25th public workshop where existing conditions were presented along with multiple sidewalk widening alternatives and options for items that could be included in a redesign of the Centennial stair area. A Workshop Summary is provided in Attachment 2.

Workshop input refined the project goals to include items such as, "Enhance the attractiveness of the Embarcadero for locals and visitors," "Enhance the Embarcadero with family oriented activities," "Ensure truck deliveries are timely and efficient and delivery zones are provided to minimize traffic impacts along the Embarcadero," and "Enhance the Embarcadero with a pedestrian friendly and bicycle friendly environment."

Stakeholder and workshop input has resulted in two design options for the Centennial Parkway and an Embarcadero design that include both one-way and two-way traffic, bicycle accommodation as well as the desired sidewalk widening. See Attachment 5 for Draft Concept Plans for the Embarcadero improvements.

CONCLUSION

The report, associated materials and presentation is meant to facilitate input on the part of the Council, and public. The design options are in a draft format and may be altered to reflect any input provided.

Prepared By: SGDept Review: SG

City Manager Review: _____

City Attorney Review: JWP

This information is being presented not only at the September 27th regular Council meeting, but also at the September 27th joint meeting of the Council, Planning Commission and Harbor Advisory Board to be held just prior to that regular meeting. Input from both meetings will be incorporated into a Final Concept Plan. The Final Concept Plan may, with Council direction, be brought back through the Planning Commission and Harbor Advisory Board for recommendation to Council, or the Final Concept Plan may simply be brought back to Council for approval. Any desired changes to the plans, after preparation of the Final Concept Plan, will incur additional expense beyond the current contract and will, therefore, require an amendment to the existing contract.

ATTACHMENT(S)

1. Stakeholder Input Summary
2. May 25th Workshop Summary
3. Centennial Parkway Concepts A & B
4. Centennial Parkway before and After Perspective sketches
5. Embarcadero Street Plan

ATTACHMENT 1

Embarcadero and Centennial Stairway Stakeholder Meetings March 2-3, 2016

<u>Topic</u>	<u>Comments</u>
--------------	-----------------

Embarcadero	
--------------------	--

- Trucks and Semi trucks are a problem. Keep them off Embarcadero. They create congestion. They could possibly come down Harbor to an unloading area, possibly space for three (3) trucks at a time
- Harbor Street is more commercial and should support truck traffic, keep them off Pacific because it is more residential
- If Embarcadero was closed to vehicular traffic, keep it open for trolley and bikes
- Lose parking on Embarcadero
- For the second floor, building 70% of the 70% of the first floor does not work economically. This is a zoning issue
- Let trolley bring pedestrians from parking areas outside of the Embarcadero
- Provide one-way travel lane from Harbor to Pacific, north to south direction
- Restrict deliveries to a specific time in the morning, out by 10:30 am
- We need more destinations/activities along Embarcadero. (whiskey tasting, distilleries, craft bakery with sourdough bowls and clam chowder)
- Need improvements/landscaping at Surf Street Stairway up to Vet's Hall – Maritime Museum will bring more traffic from Surf Street down and into the Embarcadero. (Class assignment with Cal Poly Landscape Arch. Professor Gary Clay)
- Create a fun plaza at the aquarium
- Promote "café culture" along Embarcadero
- Widen sidewalks
- Provide trolley to shuttle people up and down from Embarcadero to Old Town
- Corner of Beach Street and Main Street should be a parking structure
- Corner of Pacific Street and Market Street should be a parking structure
- Deliveries are important, some least a 30-minute period
- Maintain "Fishing Village" character and identity
- Look at Rockport, Massachusetts as examples of attractive fishing villages
Bearskin Neck – pedestrian-only street with commercial)

Topic

Comments

Embarcadero

- Look at Gloucester as an attractive fishing village
- There's been a shift in resistance against closing the Embarcadero from Harbor to Pacific. Let's look at this in more detail
- We may need a two-step approach – what are the alternatives and costs, and what short and long term implementation measures
- Build in flexibility for change, example, the first step could be pop-up bollards, then close to periods of time or events
- First create larger sidewalks, remove parking, and make pedestrian friendly
- Move parking away from center of Embarcadero
- Height along Embarcadero is to view tolerance
- Need aesthetic development and redevelopment
- Need to provide an ingress and egress at both ends of Embarcadero for bikes (Improve Surf Street stairway and provide bike path from Tidelands Park up to Olive Drive
- Need parking pockets for ADA along Embarcadero
- Where will buses go?
- Need a stairway at Dunes Street
- Provide Pop-Up Bollards
- Provide Pickle Ball Game for seniors
- Seniors need to be dropped off or have a few close parking spaces for them
- Create a frontage plaza along Embarcadero from Harbor to Pacific and create large setback on the east side of Embarcadero
- Provide well-lit spaces
- Provide a common building for food storage and deliveries to alleviate traffic on Embarcadero
- Can all deliveries be scheduled before 10 am?
- 2.5' setback for redeveloped properties is not enough to enhance pedestrian sidewalk
- Do not close Embarcadero to vehicle traffic
- Design for ableism – not all people are capable or able to get around, we need to design for all capabilities
- Bicycles need own lane or markings/signage
- No skateboarding signs are needed
- Provide four-way stop at Marina and Embarcadero and/or Pacific and Embarcadero
- Do not allow employees to park along the Embarcadero

Topic

Comments

Embarcadero

- More benches are needed throughout
- Improve desire to get people up to Morro Bay Boulevard
- "It is all about the ocean" – bring theme throughout Old Town and Embarcadero
- Like the Architectural Style of Heritage Oaks Bank should be the main style of Morro Bay... New England?
- Provide nautical flags and rope to Embarcadero
- Need to increase bicycle awareness/knowledge (Look at 2nd St. in Long Beach)
- Improved crosswalks and pedestrian areas
- Provide themed bike racks - fish, crab, clam, eel grass, etc.
- Provide more lighting
- Provide more wayfinding and directory signs - people do not understand how to get around
- Lots of J-Walking along Embarcadero
- Remove turf to synthetic turf along Embarcadero Green spaces
- See if there is a tree ordinance along Embarcadero
- City light post banners should be maintained and replaced by another agency/group
- Try to reduce maintenance on Embarcadero
- Provide pedestrian signage and wayfinding
- PG&E controls and maintains lights along Embarcadero... if we propose new lights, City has to take over maintenance, etc.
- Allow more opportunities for events and expansion
- Create more amenities and activities, e.g. Art Walk, wine bars, etc.
- Design for Stormwater Management, LID Improvements to improve runoff, rain garden demonstration areas, education
- Get rid of sidewalks and curbs, make Embarcadero one level.
- Look at one-way on embarcaderos with diagonal parking option
- Create multiple experiences along Embarcadero - for bikes, walking, shoppers, etc.
- Pedi-Cabs, Suri's and how they will mix in.
- No sandwich signs on Embarcadero
- Provide enhanced crosswalks at all intersections and mid-block
- Like sharrows

<u>Topic</u>	<u>Comments</u>
Centennial Stairway	

- Provide an amphitheater with heaters built into the seating
- Create a bridge from Market to the Embarcadero
- Provide an elevator near the restroom
- Look into a funicular (Shadowbrook in Capitola as an example)
- Look at the Crow's Nest in Santa Cruz as an example of restaurant
- Make it kid-oriented
- Create a tiered seating area with a performance area
- Don't create a typical amphitheater with stairs on both sides/middle
- Do a zig-zag ramp for ADA with seating around it
- Think about people using area when watching the fireworks
- Love the chess board and tables - these are used every Saturday morning
- This area lacks a performance venue
- Elevator and Accessibility are important
- Provide a patio off Distasio building fronting the stairway to create active area
- Provide viewing decks
- Provide public seating
- Provide private dining on both sides
- Conference Center is a terrible idea in this location (conference rooms need to be dark and keep attention on the speaker. Windows and views are distractions). A conference center would be better in another location. This location should take advantage of views/dining/hotel
- Provide a Jack Lalanne statue at top of stairway
- Provide some type of art attraction at top of stairway
- Need an overall attraction and experience (activities for kids, draw in families from the beach)
- Need to attract people up the stairway to Morro Bay Boulevard
- Expand viewshed at top
- Provide more seating
- Build-in musical venue - casual and formal
- Elevator may be a better option due to spatial constraints and maintaining views
- Make stairway easier to navigate
- Provide sloped ramp from Distasio property down to Embarcadero
- Need to ask residents and get them involved in what they want to see on the Embarcadero and Morro Bay Boulevard connection

<u>Topic</u>	<u>Comments</u>
Centennial Stairway	<ul style="list-style-type: none">• Approach community that this area will have an investor focus, if we have "solid investors" what do the residents want to see?• Provide more lighting• Love the chess board and tables• An elevator or funicular needs to have glass on the west side to see views• Provide a large viewing area• Tiers with decks, viewing areas• Provide wide walkway• Provide an ADA ramp if there is room• The maintenance building near the stairway is the only city indoor workshop. The shed on the south side of the parking lot is the only dry goods storage area for restrooms/trash. These could be moved but consider where we could provide something close to Embarcadero for restocking restrooms. Maybe this could move to Tidelands Park• City maintains trash in Centennial Stairway and plaza area• Provide more lighting in stairway area – City responsibility• Chess Board plastic pieces are unlocked June-August. Wood pieces are \$28/hr.• Emphasize Morro Bay's Beach and accessibility to it• Elevator may be more appropriate because it takes up less room• Try not to take away from Morro Bay Marina performance space• Funicular/Elevator would get a monthly inspection by manufacturer, not city responsibility to maintain• Frame views at top of stairs
Parking	<ul style="list-style-type: none">• Provide a mechanical parking system - would also act as an attraction• Front Embarcadero with Commercial with parking behind/above• Implement Paid Parking• Provide free parking outside Embarcadero• Provide public/private partnerships for parking. (banks, etc.)• Provide parking signage and locations• No meters along Embarcadero• Provide ADA parking spaces throughout• If Distasio and parking lot becomes a structure, get rid of parking along Embarcadero

Topic
Parking

Comments

- Need to provide free parking where you want people to go
- Triangle Lot provides opportunity for more parking
- Underground parking on city lot
- Provide parking pockets for deliveries, unloading, etc.
- Handicap parking is important and accessibility

Morro Bay Boulevard

- Need seating and street trees from Main Street to Market Avenue
- Close Morro Bay Boulevard from Main Street to Market Avenue for a pedestrian mall
- Research topics of history of Morro Bay and place along pedestrian route with interpretive panels
- Put a piano on the corner of Market and Morro Bay Boulevard to draw people up stairway
- Provide evening for food carts to energize and create activity for Morro Bay Boulevard
- Provide benches every half block
- Make it easier for businesses to thrive on Morro Bay Boulevard between Main and Market
- Look at Catalina Ironwood and Madrone as street trees
- Create incentives for restaurants, don't require in-lieu fees
- Utilize other parking lots/waive parking fees, provide shared parking agreements
- Morro Bay Boulevard could become a one-way street from Hwy 1 to the Embarcadero
- Close Morro Bay Boulevard from Morro Avenue to Market Avenue on Friday nights for pedestrian zone and activities
- Provide a small amphitheater at corner of Morro Bay Boulevard and Market with wind break
- Need women's interest stores on Morro Bay Boulevard to get them up from the Embarcadero
- Provide nautical flags and rope to Morro Bay Boulevard
- Business district should enhance street tree lighting, poorly wrapped, inconsistent types of lights
- PG&E provides power on Morro Bay Boulevard, see if they can provide outlets for lighting trees
- Need more trees

Topic

Comments

- Provide a faint light on the rock to light it up at night. It is beautiful.
- Distasio building and parking lot - need a development package here, residents use space more. This site needs to help connect to Morro Bay Boulevard
- Pedestrian bridge over creek brings a lot of people into the Embarcadero.
- Slopes up to Old Town is hard and routes need to be more bicycle friendly.
- Take baby steps... community is sensitive
- Let's design with stormwater management and sustainable techniques.
- Need to control pollution and protect Eel Grass habitat.
- Need wayfinding off Hwy 1 to Embarcadero
- Need larger corporate types to come to a state of the art facility for conferences within walking distance to Embarcadero and Old Town
- We have a need for 1,000 sf to 1,600 sf sized residential units in Mixed-Use in Morro Bay
- Look at Oceano Hotel and Spa, Half Moon Bay Harbor as example of hotel, spa, weddings and banquets, including nautical theme
- Morro Bay wants its own identity - funky, fishing village. Be careful of overbuilding. We need to capture the identity
- Provide outreach at Spencer's Farmer's Market on Thursdays or Albertsons between 3-6 pm
- Keep MB dog-friendly
- Let's build trust with the community
- Increase bike knowledge and signs for a bike route on Morro Ave.
- Old Town is the preferred name for Morro Bay Boulevard Let's start using it more
- People are seeking the authentic experience visiting Morro Bay. We need to keep that identity
- Bring back the Cannery or history about it.
- Janine Burlingame knows the trash agreements
- Public Use Are Permit will be needed to conduct a workshop on Embarcadero
- Provide food trucks at beach, Morro Bay Boulevard, and areas in Embarcadero to create activity and entice people into town
- Once Harbor Walk got built, it changed the circulation and flow pattern. People park on the other side and ride/walk in
- Provide more seating on Harbor Walk/Bayside
- Need meeting rooms that can hold over 500 people

Following the word chart exercise, the participants were asked to provide direction on project goals, circulation improvements for Embarcadero, and design ideas for the Centennial Parkway. The workshop ended with a representative from each table presenting the main concerns and comments from the discussion within each group. This summary captures notes taken during the meeting and expresses the ideas from each table.

The following goals have been revised to incorporate input from the community.

Goals

Improve the connection between Downtown and the Embarcadero

Enhance the Embarcadero with a pedestrian friendly and bicycle friendly environment

Create a variety of parking areas throughout the Embarcadero and maintain parking accessibility to shops

Enhance the attractiveness of the Embarcadero for locals and visitors

Capitalize upon the asset of and preserve Morro Bay's history and identity as a fishing village

Revitalize the Embarcadero to attract investment

Improve access along the Centennial Parkway from the Embarcadero to Morro Bay Boulevard

Enhance the Embarcadero with family-oriented activities

Ensure truck deliveries are timely and efficient and delivery zones are provided to minimize traffic impacts along the Embarcadero

Revitalize the Centennial Parkway with an interconnected system of open spaces, gathering areas, plazas, public amenities, and accessible access from the top of Centennial Parkway to the Embarcadero and into the useable waterfront space to capitalize on views and public spaces

Improve, maintain, and complete the harborwalk to further connect businesses along the waterfront

Encourage businesses along Embarcadero to enhance and improve facades and upgrade facilities

**Table I – Younger View:
Centennial Parkway Improvements**

- Provide an amphitheater on stairway area
 - Include stage, ambiance, gardens, slide, climbing wall, fountain
 - Provide a centennial swing to see the view
 - Public art – tiles of history
 - Lighting
 - Movie night space
 - Music incorporated into design
- Tram/funicular
- Elevator
- Remove parking stub
- Glass bottom dock/pier and extend out for views of the harbor – provide seating and fire pits, large enough for events for the city to rent space out.
- Fire pit/feature
- Remove parking lot at terminus of centennial parkway and make it pedestrian plaza
- Get rid of Chess Board
- Skate Park area – Climbing Wall in Centennial Parkway

Embarcadero Improvements

- One-way traffic loop – Harbor to Marina
- Retail space on the east side of Embarcadero vacant lots
- Provide signage for public restrooms
- Keep restrooms clean
- Remove parking on harbor side
- Rentable entertainment spaces
- More bike racks as public art
- Automated bike rentals

Parking Improvements

- Create parking structures around the area on City owned lots.
- City lot – provide 2-3 story parking structure with retail on ground floor embarcadero

**Table I – Older View:
Centennial Parkway Improvements**

- Public art – mosaic tile art and corridor to connect downtown and the embarcadero, drawing tourists down the centennial parkway
- Provide a Tram/Funicular with large windows or a glass elevator
- Attractiveness and revitalization
- Better lighting
- Enhance ADA access
- Bocce ball

Embarcadero Improvements

- Close Embarcadero from Harbor to Pacific Street
- No parking meters along the street, or at least 1st hour free
- Public market place like Pike Place Market in Seattle
- More bike racks
- Improve curb appeal and façade enhancements
- Create other sports/games opportunities – parasail, paddle boarding, wind surfing

Other Improvements

- Close street
 - Morro Bay Boulevard from Main to Market
- Parking structure is imminent
- Let's figure out who we are and plug it – are we a fishing town, oyster capital, arts and culture?

Table 2:

Centennial Parkway Improvements

- Glass elevator but leave stairs “as is”. Provide more seating along stairway
- DiStasio Building Site should be the new aquarium (3 stories)– connect Embarcadero to Downtown. Could be key to tying the two together.
- Glass stairway into bay to see sea life and boats, or glass floating dock/viewing area

Embarcadero Improvements

- Two-way traffic on embarcadero
- Provide diagonal parking on east side if possible
- Concerned about bulb-outs messing up traffic patterns
- 8' sidewalks max
- Delivery at off hours
- Improve and utilize the trolley – make it easier to know and use it to transport people from parking lots/parking structures if far away from the EMB

Parking Improvements

- 2-story Parking structure at DiStasio's. Keep Embarcadero pedestrian friendly and retail oriented.

Table 3

Centennial Parkway Improvements

- Better Bathrooms with electricity
- Glass Elevator
- Widen stairway
- Mosaics/ Art sculpture/ murals along stairway
- History Kiosks (images of morro bay in same view shed location)
- Extending path across Embarcadero and plaza
- Glass bottom carousel at bay
- Areas for street performances and small merchants – permitted merchants/musicians only
- Connect with boat culture
- Boat holographic?
- Include more chess pieces as mermaids or seahorses
- Do not make a clichéd nautical theme
- Project in 1976 Botso Korisheli, Joan's Musical Pathway would honor Botso beautifully. I'd give that up for dramatic stair/seats, slide element
- Walk through a park- like outdoors garden atmosphere with outdoor café, tables, resting benches
- Outside seating for drinks and refreshments and meal on Morro Bay Boulevard between the stairway and Main Street
- An Ale House with outdoor seating- Provide fun and entertainment that draws people to Morro Bay Boulevard
- A bandstand/gazebo with weekend outdoor music events

Embarcadero Improvements

- Two-way with sharrows
- Keep some parking
- Widen sidewalks
- Cut into hillside at Distasio location for parking structure with hotel on top and retail fronting Embarcadero
- Farmers Markets during week – use Blue Sail Inn lot
- Boat haul out should relocate and be a destination on Embarcadero
- Plan for the future of the empty lots, they are an eyesore!
- Restrict delivery times for large trucks

Parking Improvements

- 3 structures spread out around the area
- Eliminate parking, make pedestrians only- for several blocks,
- Provide more parking on Market Street- Between Harbor and Pacific or Marina

Table 4

Centennial Parkway Improvements

- Keep Chessboard and Restroom
- Spanish steps/ Amphitheatre/Landscaping
- Elevators for access
- Include Breakers- DiStasio- Parking lot as one development area:
 - No traffic between Harbor and Pacific- Pedestrian Mall on Market
 - Integrated public and private space with public art, water features, dining, etc.
- No paving/ Parking on Front Street, convert to semi-covered outdoor seating/plaza
- Close portion of Market by DiStasio
- Public/Private spaces integrated on East Side lots
- Park/ H2O feature/ Art/ Fire pits
- Provide history kiosks or a history walk with facts

Embarcadero Improvements

- Remove traffic on Embarcadero from Harbor to Pacific
- Continuous lateral access along the bayside Harborwalk - Waterfront continuous lateral access (from Roses to Libertine)

Table 5A

Centennial Parkway Improvements

- Monument- End of street- that draws you
- Aquarium into/next to Bay
- Public Pavilion over Bay

Embarcadero Improvements

- Need more lighting
- Bungee jump
- Tunnel into structure

Parking Improvements

- Structure for both downtown and Embarcadero users- Best for both areas
- Take Morro Bay Blvd. at grade and extend it to Embarcadero to upper level of Embarcadero parking structure. Recirculate traffic at top where parking lot is with a pavilion at the end which would be the new aquarium.

Table 5B

Centennial Parkway Improvements

- Keep chess board
- Amphitheatre, seating, stairs, ADA access
- Park below with event area with pier extending into bay
- DiStasios as aquarium to connect downtown
- Close Front Street to through traffic, put in a turnaround area before Centennial Parkway

Embarcadero Improvements

- One-way circulation Harbor to Marina and Downtown
- 2-way bike lane and wider sidewalks
- Short term loading/unloading
- Restrict delivery times
- No parking on east side- or diagonal on east
- Retail on city lot

Parking Improvements

- Recirculate traffic at top of stairway on Market St.
- Family friendly- tourist area

Table 6

Centennial Parkway Improvements

- Amphitheatre Free design within amphitheater
- Larger space for events
- Elevator, slide, and stairs
- Amusement park on pier- merry go round- carnival
- Families need activities
- Docent talks starting at stairway/amphitheater area
- education
- Remove parking stub and extend amusement park to pier, ferris wheel, merry-go-round
- Draw from LA and SFO- Morro Bay Destination

Embarcadero Improvements

- One-way traffic with loading zone and parking
- Finish boardwalk to allow ped access on waterfront, won't need to expand sidewalk
- Pixar Dory themes park or amusement area, Encourage more film shoots here
- Starfish along walkway with famous people or business \$ to art at high school, A Hollywood walk of fame
- Developing east side will create less foot traffic on west side, so no need for wider sidewalks on both sides

Parking Improvements

- Parking structure with retail
- Increase foot traffic to business tucked in back
- Promote evening in Morro Bay Embarcadero

Table 7

Centennial Parkway Improvements

- Leave chessboard- redwood pieces= use! Highlight use and area
- Slide/StairwayAmphitheatre/Elevator
- Telescope or binocular
- Glass bottom pier area
- Lose parking at end of centennial parkway
- Clear fabric over plaza area for wedding/event space
- Musical instruments used in sidewalk from Downtown to Pier
- Keep bathroom
- Fish market like Pikes Place on top of parking structure on city lot
- Provide an information center near restroom

Embarcadero Improvements

- Pavers to slow traffic out to pier on Centennial Parkway intersection
- 30-60 day trial- use bolsters, rails to create a new traffic route to let us test it- minimize parking, one way with bike path, etc. and ask community:
 - visitors, residents
 - Comparative revenue with each alternative
 - Then make decisions based on this analysis

Parking Improvements

- Parking structure with retail

Table 8

Centennial Parkway Improvements

- Lose dog leg of Front Street to Embarcadero
- Green space, picnic area and playground
- Create a large stairway
- Provide amphitheater
- Picnic, statues, art
- Big, wonderful plaza
- Performance area- bands

Embarcadero Improvements

- One way- Harbor southbound to Marina
- Develop Blue Sail Inn lot
- Waterfront access
- Deliveries and delivery parking only 6am-9/10am

Parking Improvements

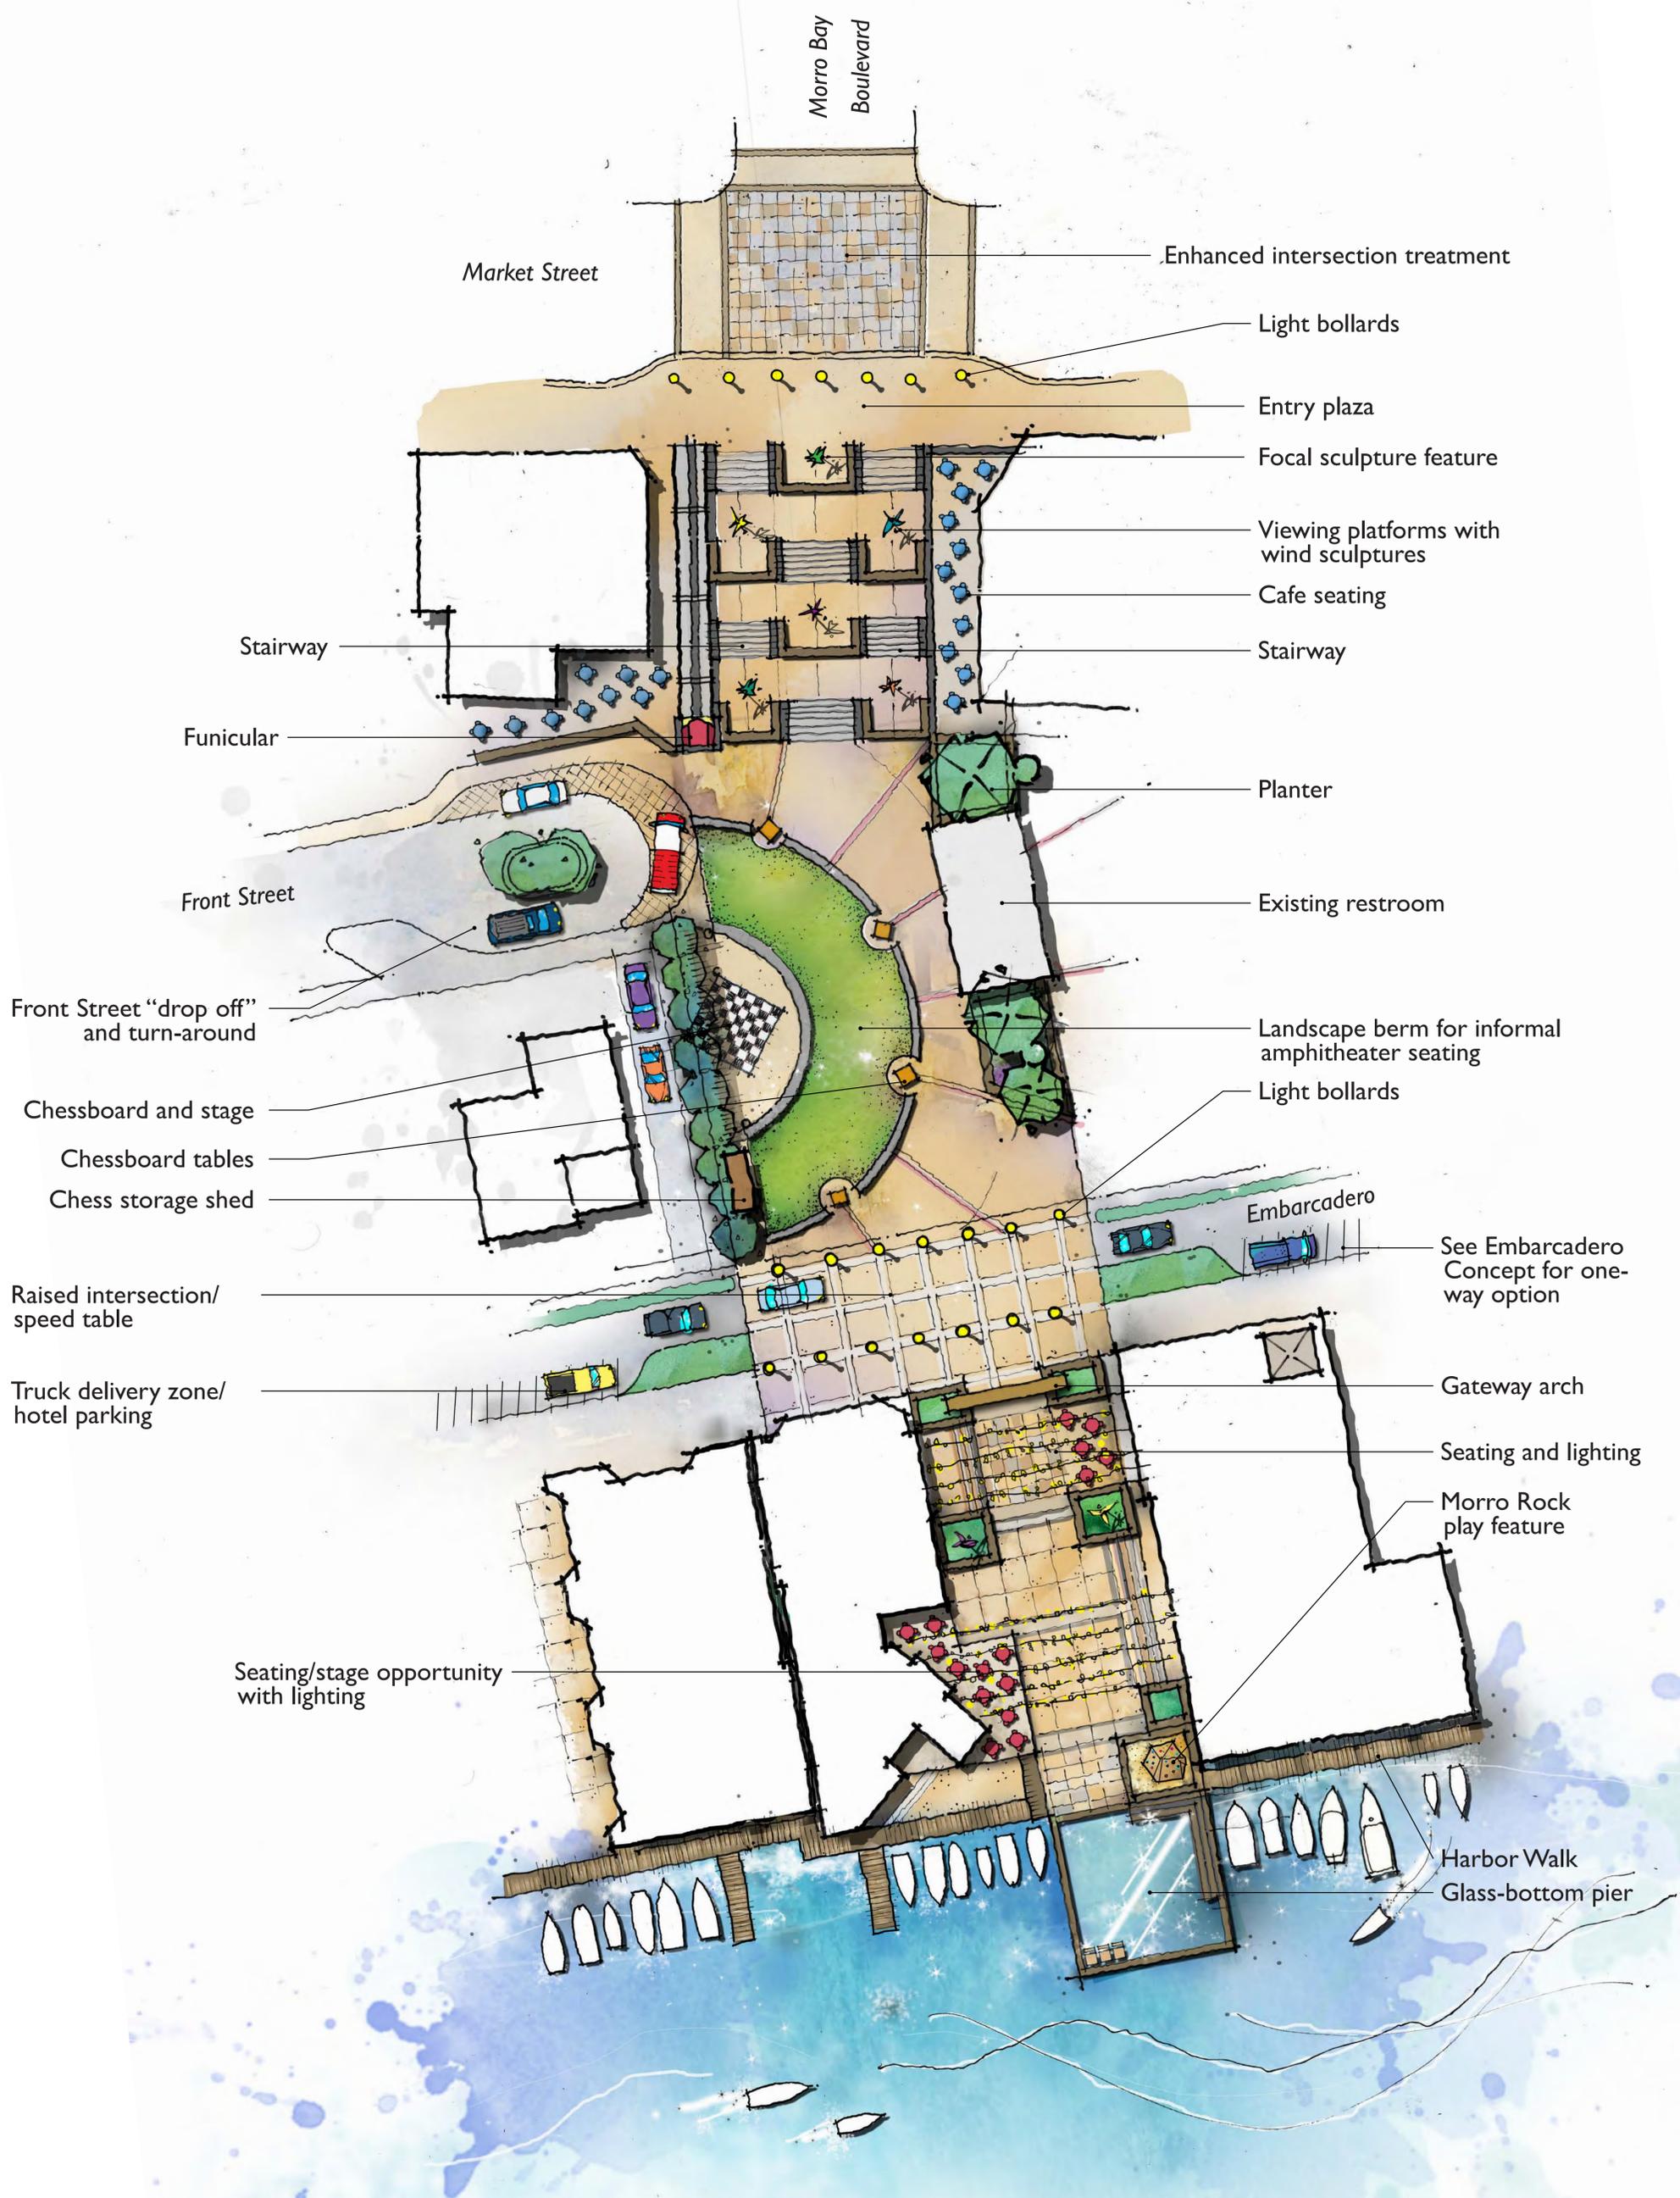

- Diagonal parking on Market or one way on market with diagonal on both sides

MORRO BAY CENTENNIAL PARKWAY

Concept A

MORRO BAY, CA.

- Morro Bay Boulevard
- Market Street
- Enhanced intersection treatment
- Light bollards
- Entry plaza
- Focal sculpture feature
- Viewing platforms with wind sculptures
- Cafe seating
- Stairway
- Stairway
- Funicular
- Planter
- Existing restroom
- Front Street
- Front Street "drop off" and turn-around
- Landscape berm for informal amphitheater seating
- Chessboard and stage
- Chessboard tables
- Chess storage shed
- Light bollards
- Embarcadero
- See Embarcadero Concept for one-way option
- Raised intersection/speed table
- Gateway arch
- Truck delivery zone/hotel parking
- Seating and lighting
- Morro Rock play feature
- Seating/stage opportunity with lighting
- Harbor Walk
- Glass-bottom pier

Attachment 5

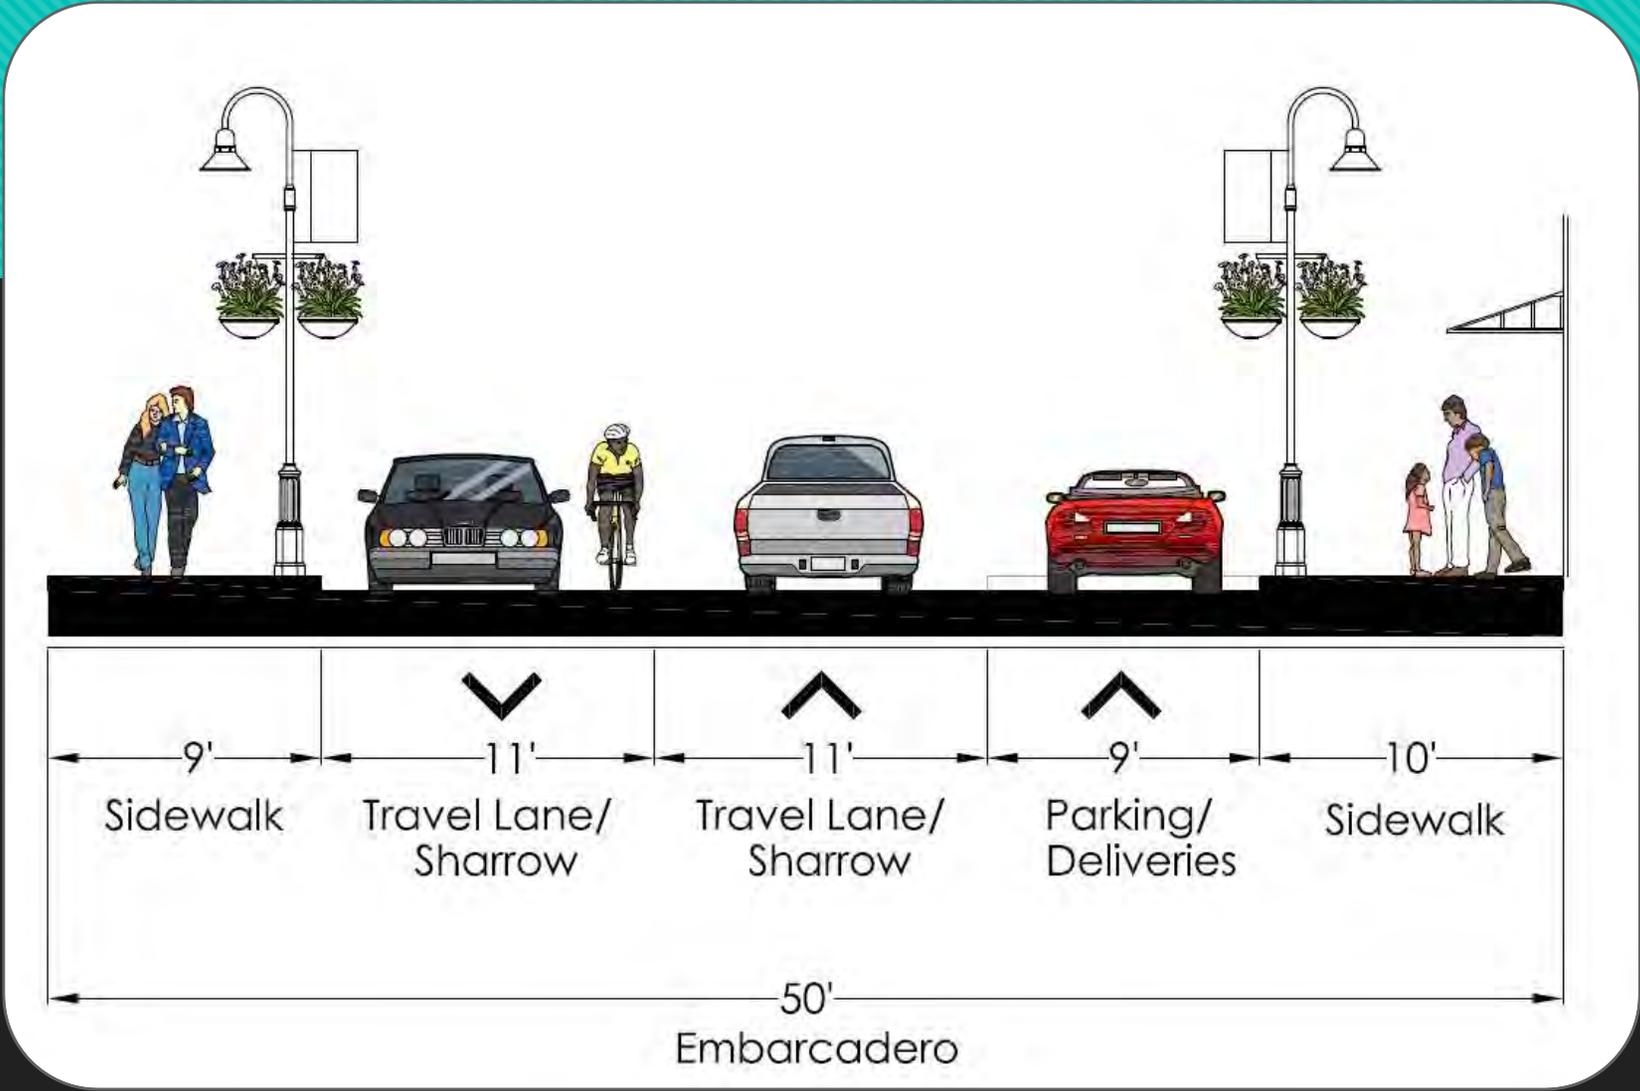

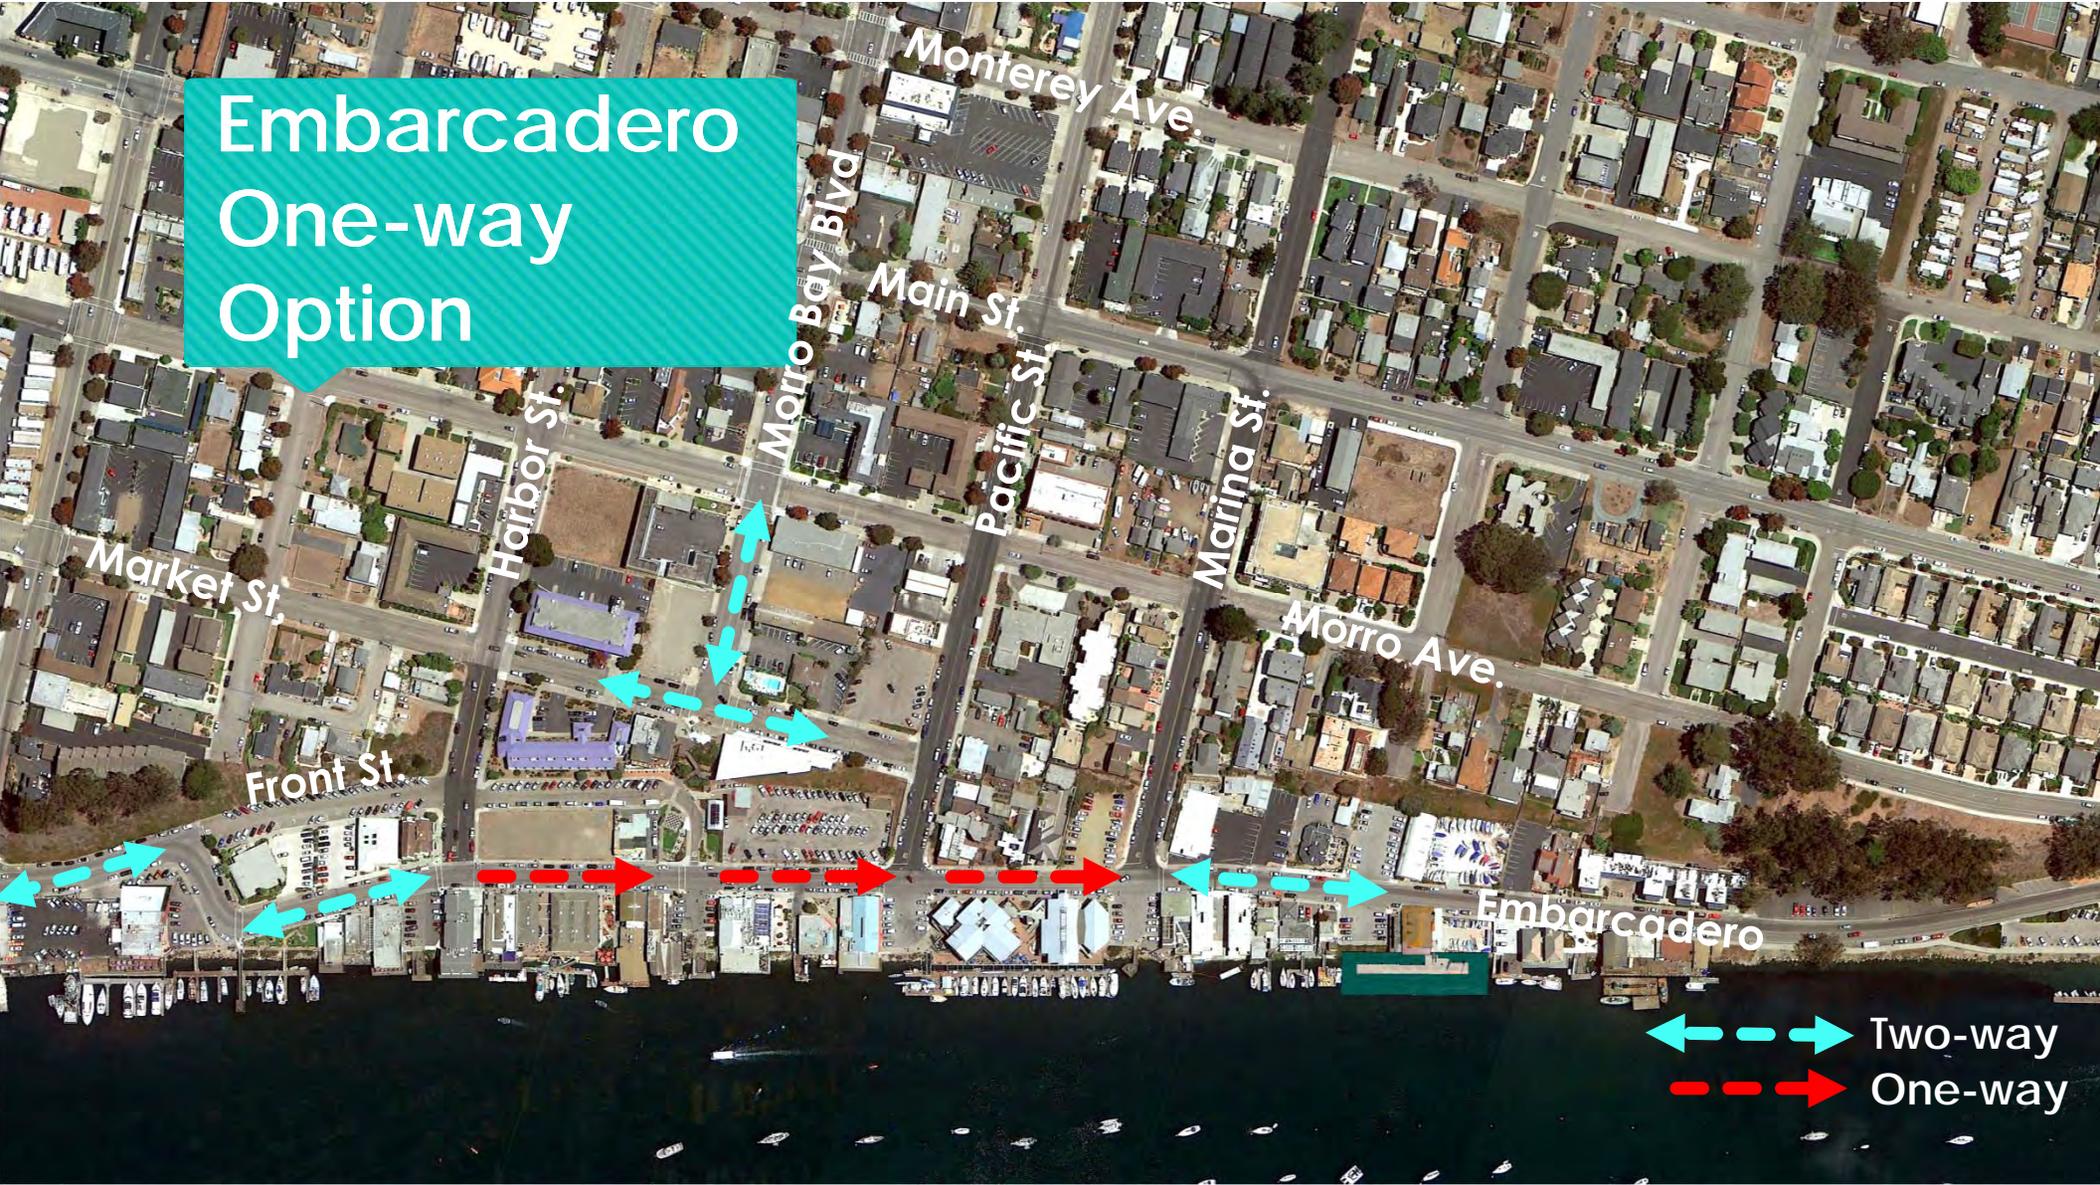

Embarcadero Two-way

- 2-way travel with shared lanes for bicycles and cars
- Parallel parking/delivery zone on bay side
- Widened sidewalk (10')

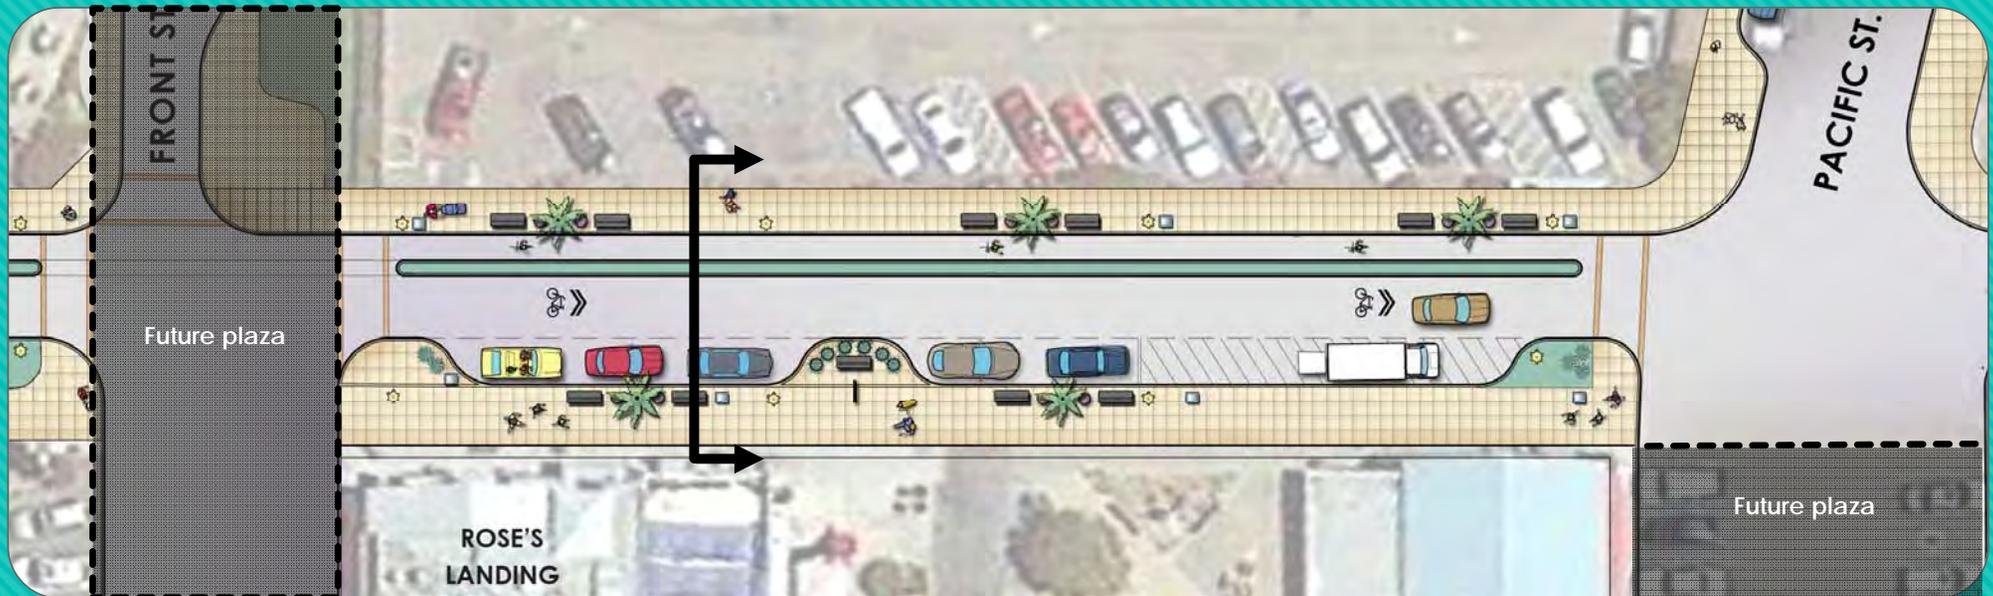

Embarcadero One-way Option

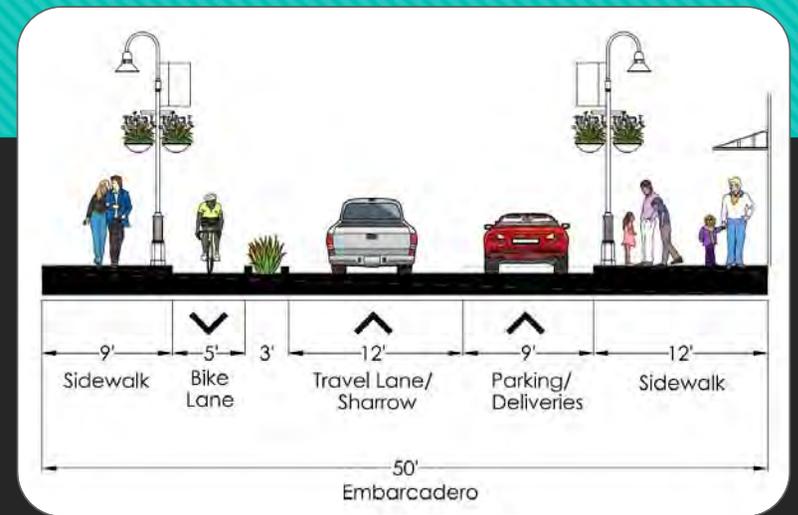

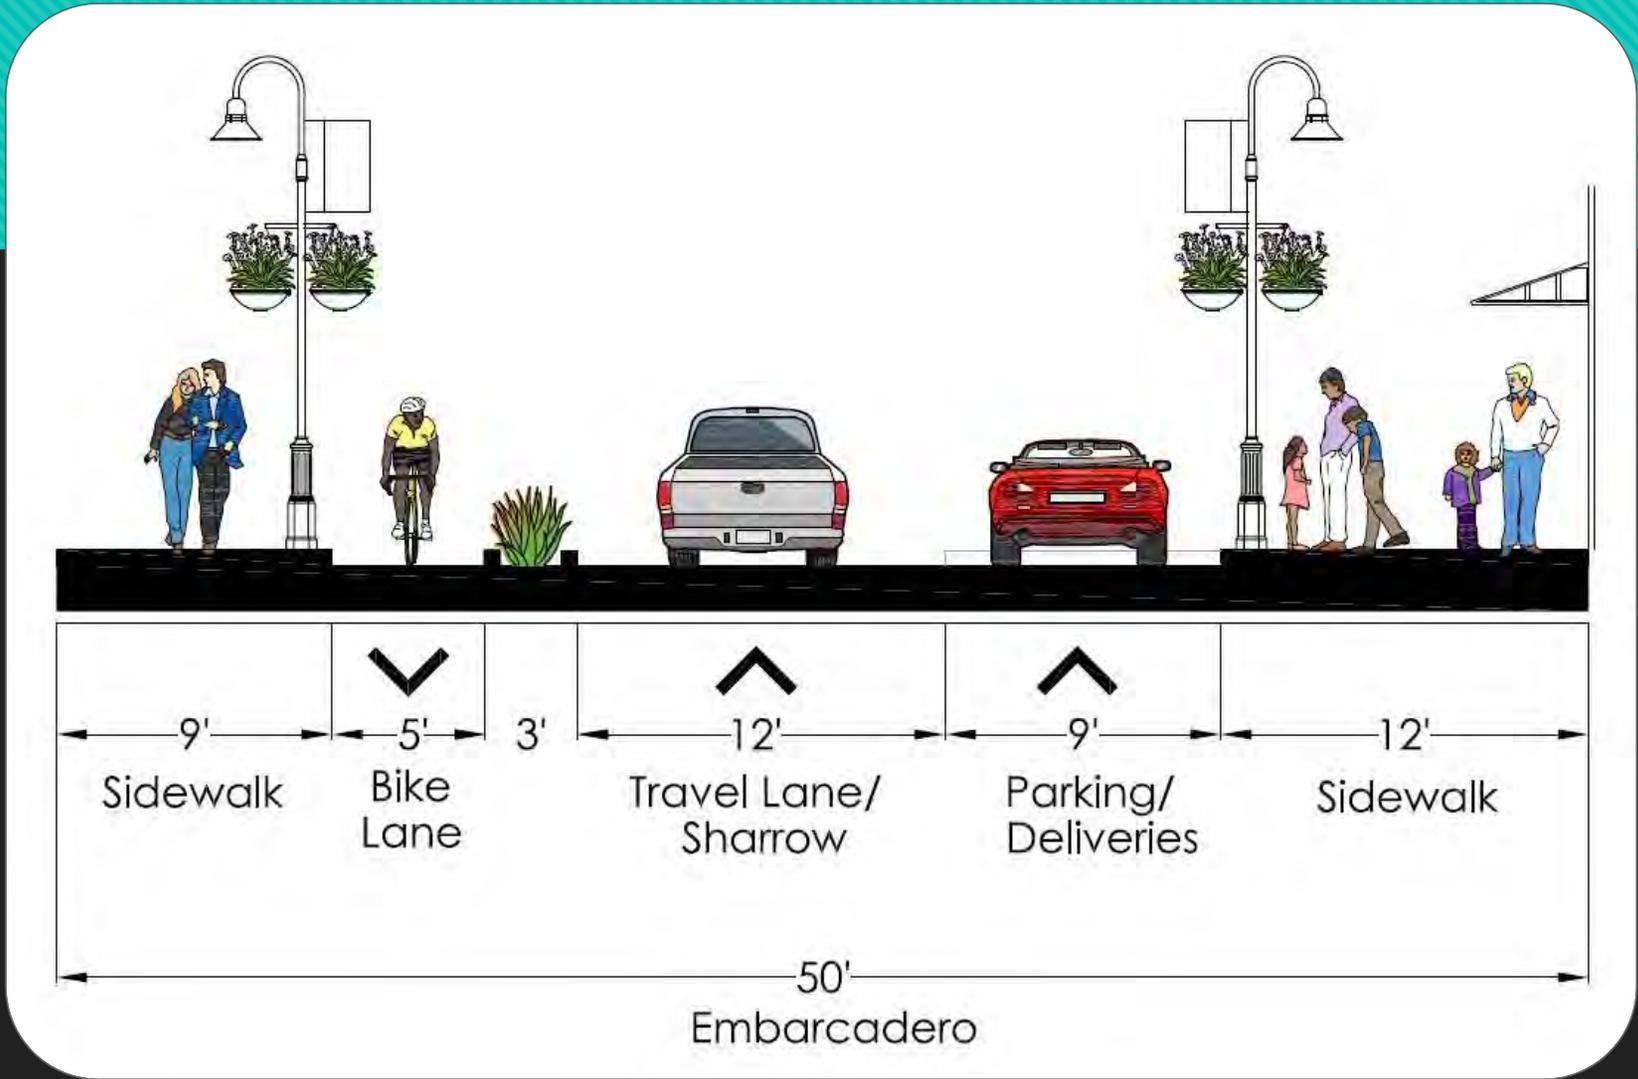

← → Two-way
- - - → One-way

Embarcadero One-way

- 1-way travel with shared lane for bicycles and cars
- Parallel parking/delivery zone on bay side
- Widened sidewalk (12')
- One-way cycle track for bicycles

Embarcadero Streetscape Enhancements

Drought tolerant landscaping

Pier pilings and rope

Cable fencing

Wayfinding Signage

Embarcadero Streetscape Furnishings

Mosaic trash receptacles

Pedestrian light columns

Benches

Street Lighting

Custom bike racks

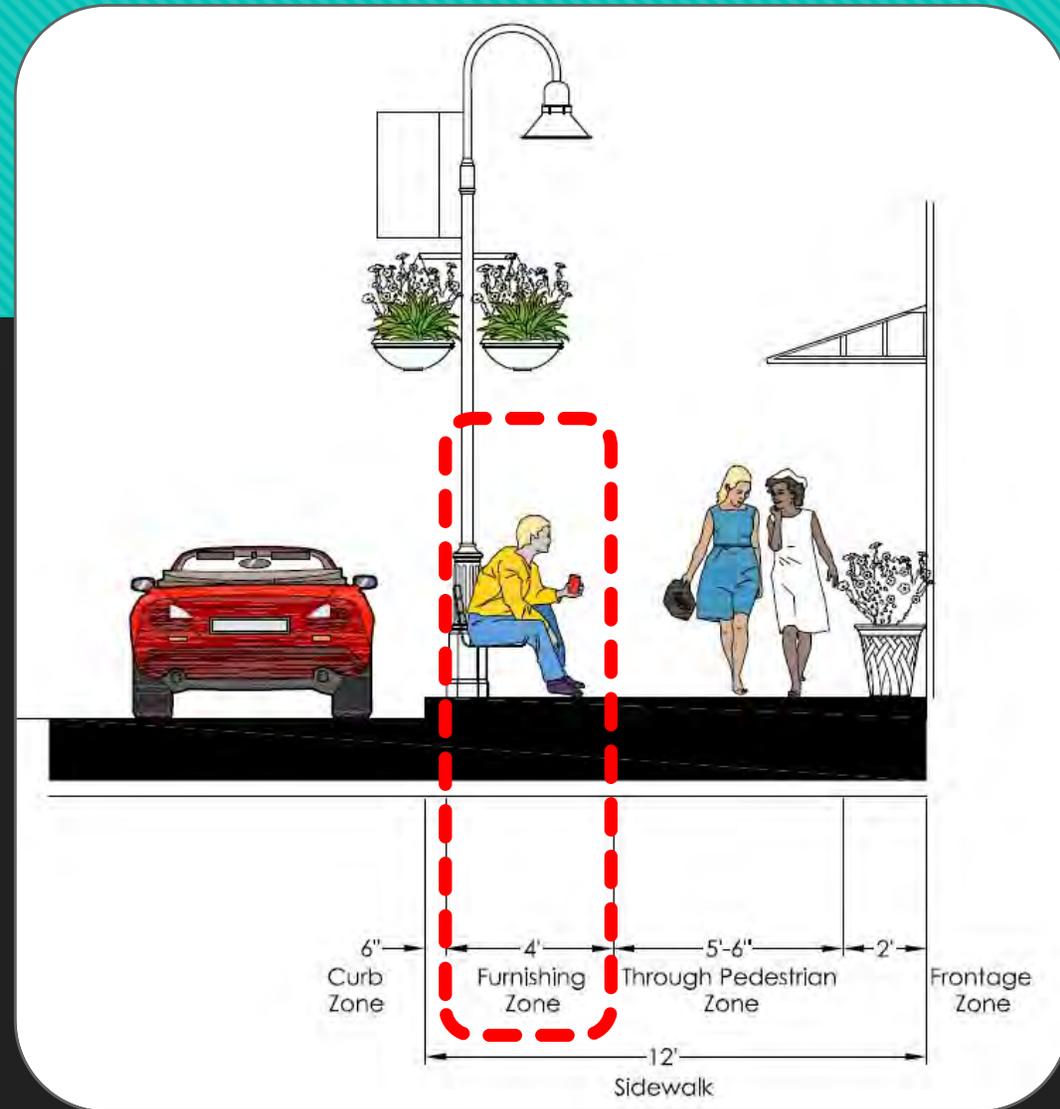

Sidewalk Zones

Furnishing Zone

(4' Min. on sidewalks 10' or greater)

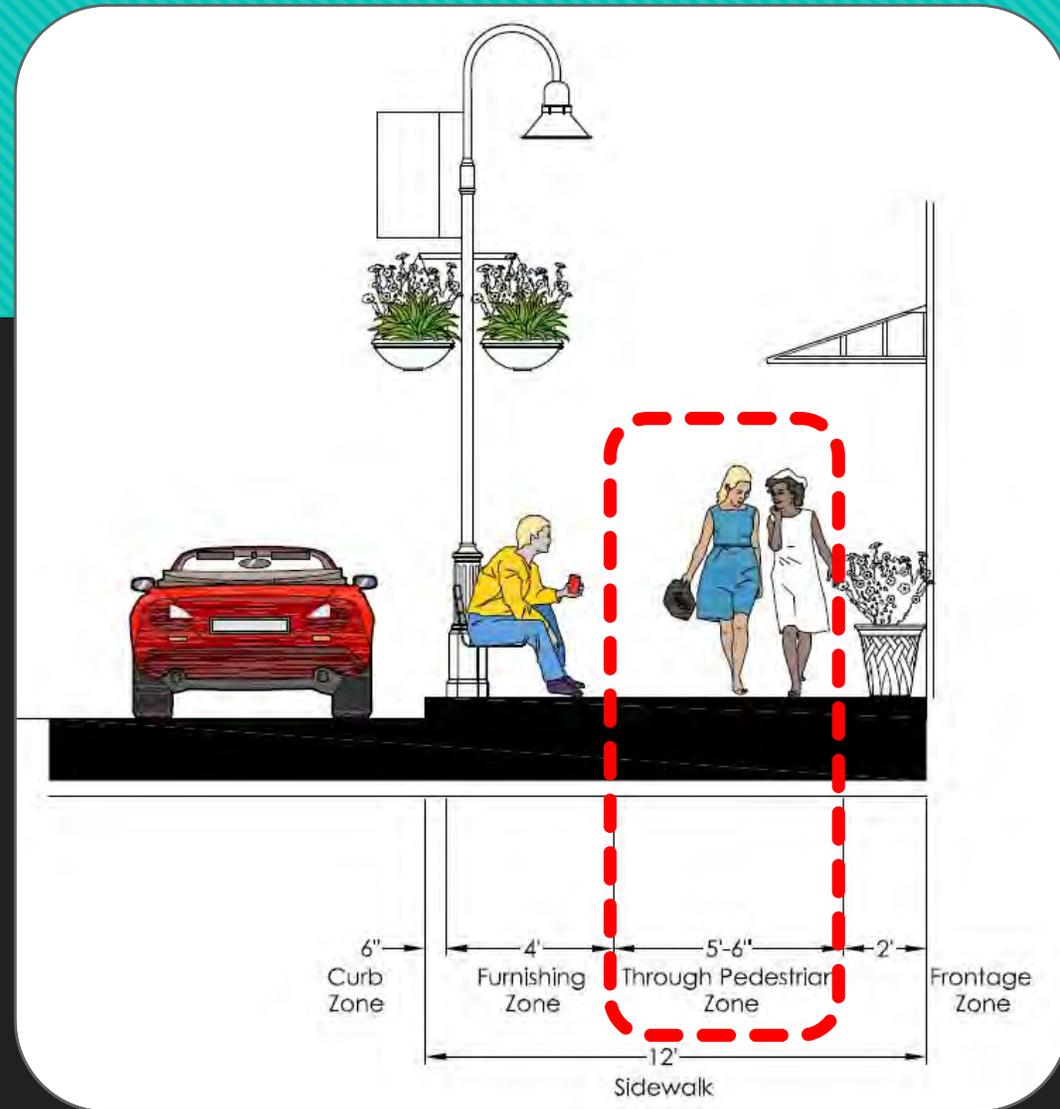

- Trees, planters, landscaping
- Trash and recycling receptacles
- Bicycle Racks
- Street lights
- Wayfinding/signage
- Benches
- Consolidated news racks

Sidewalk Zones

Through Pedestrian Zone

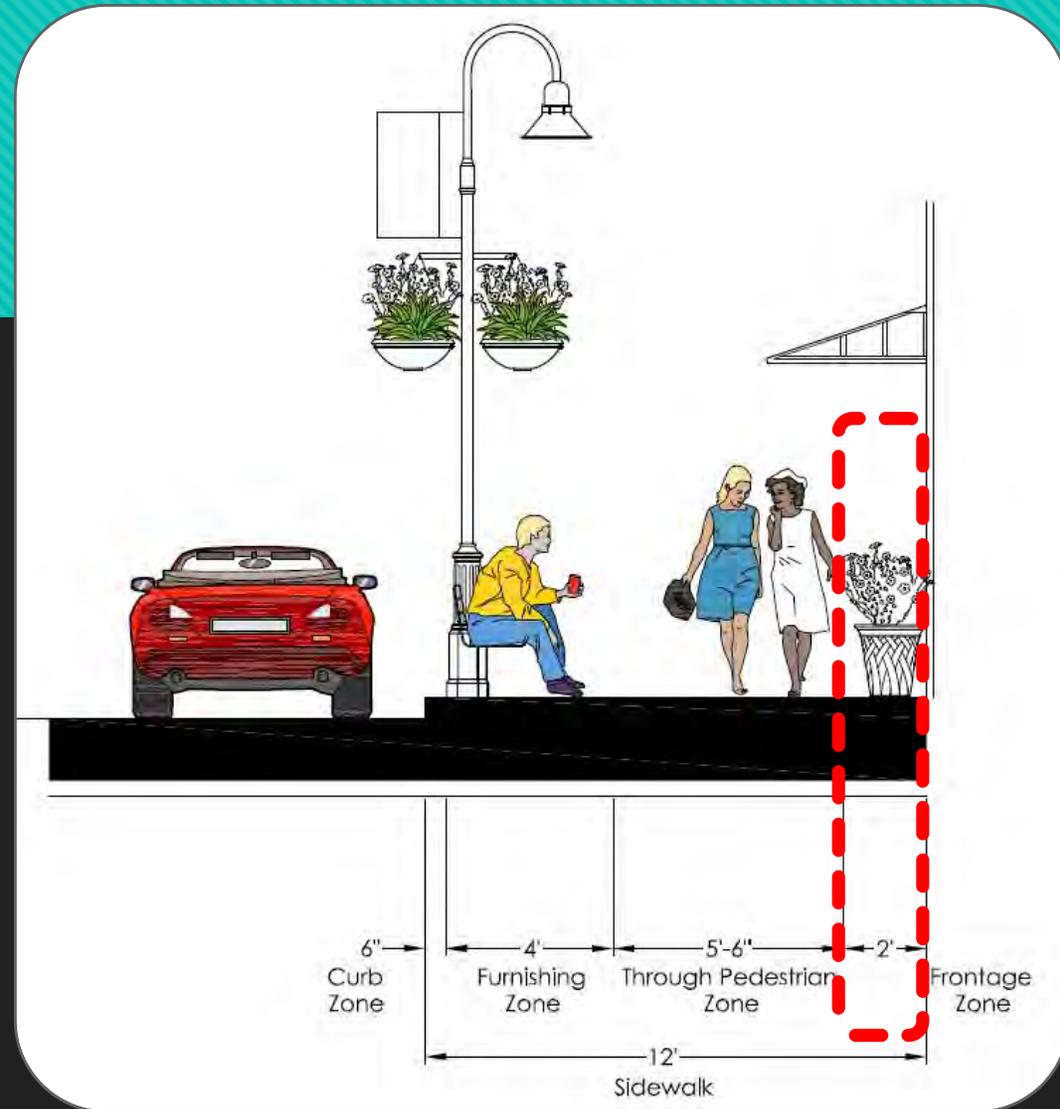

- Allow 2' width per person walking side by side

Sidewalk Zones

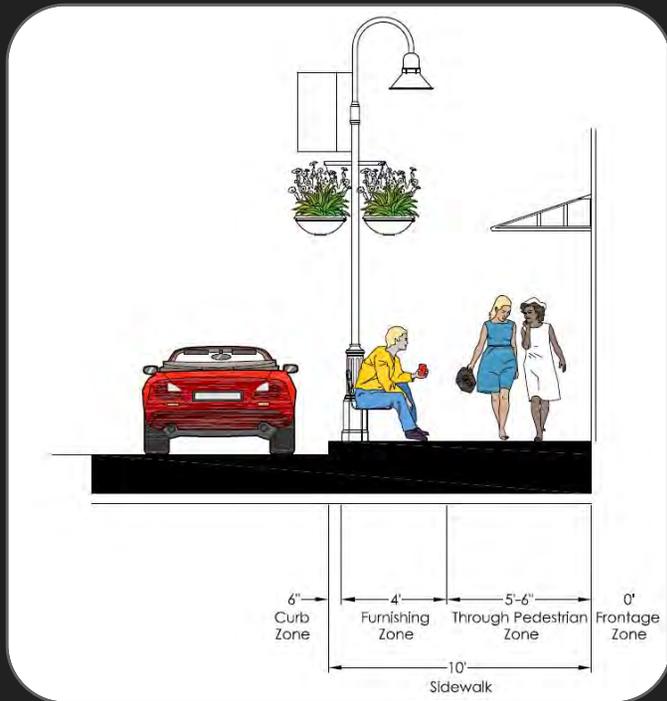

Frontage Zone – Area adjacent to building

- Benches
- Planters
- Building architectural elements
- Outdoor café seating

Sidewalk Zones – Preference?

10-foot Sidewalk
(2-way travel with sharrows)

12-foot Sidewalk
(1-way travel with sharrow and one-way cycle track)
