Subject: Tax increase/Federal Stimulus: Use money to help Harbor Dept. and eliminate RV camping from Coleman Park

Dear Mayor Headding and Councilmembers,

As you know there has been tremendous opposition to RV camping at Coleman as people are offended by Private use of our Public Park. Coleman is the 'Gateway' to Morro Bay's most notable landmark. This is the reason visitors go out of their way to come here. RV campers and all their possessions taking over that area detracts from the experience of walking along our lovely Board walk and enjoying the public open spaces we hold so dear.

We favor spending tax increase and Federal stimulus monies to help the Harbor Department so that the RV camping can be removed from Coleman Park.

*Thank you for your consideration of this important issue.
Sincerely,
Lynda and Frank Merrill*
