I'm not currently serving on a board. In the Navy I served on the Anti-Terrorism Force Protection and Damage Control committees. As a business owner I'm familiar with the challenges that small businesses face and hard work. I am skilled at project management and leading teams.

3. Why are you interested in serving on this advisory board, commission, or committee?

I grew up fishing with my dad out of Port San Luis. Now that I've decided to settle down and raise my children in Morro Bay, I want to invest my time in ensuring that the harbor stays safe and clean and can support the city both recreationally and economically for years to come.

I have read the Advisory Bodies Handbook regarding the expectations and responsibilities of this Commission/Advisory Board/Committee and, should I be appointed, am able and willing to devote the necessary time to perform the required duties.
