The City of Morro Bay City Council convened in a Special Emergency Meeting on Tuesday, March 15, 2011 and ratified a resolution declaring the existence of a local emergency in Morro Bay due to damage sustained from the March 11, 2011 tsunami. The City is currently assessing the damage that was done in the City. Most damage was a result of significant 8 foot tidal surges experienced in the harbor. Very preliminary estimates put damages at \$500,000 which is expected to increase as further underwater assessments are done on harbor infrastructure. The City has also requested Governor Jerry Brown to declare the City of Morro Bay as a disaster area.
