**MORRO BAY VETERAN'S HALL**  
**209 SURF STREET, MORRO BAY, CA**

- I. ESTABLISH QUORUM AND CALL TO ORDER
- II. PUBLIC COMMENT: ITEMS ONLY ON THE AGENDA
- III. CITY OF MORRO BAY GENERAL PLAN/LOCAL COASTAL PROGRAM UPDATE  
This meeting is a workshop between the City Council, Planning Commission, Stakeholders group and City Staff to help prepare a framework for a phased update and integration of the General Plan/Local Coastal Plan. The workshop will be facilitated by the City's consultant PMC with the intent of producing a work plan for the GP/LCP update that identifies the specialists that will be needed, milestones, deliverables, public engagement, type of programmatic environmental document along with a project timeline that will allow the City to plan the project's budget across multiple budget years. The work plan will ultimately be utilized in the preparation of a Request for Proposal (RFP) for the actual GP/LCP update.
