Written Request to Excuse Absence – Akash Patel

City Clerk

I am writing this statement to convey to the City Council of Morro Bay that I, Akash Patel, will not be able to attend interviews on December 13th, 2016. The reason for my absence is that I am currently a student at San Diego State University and our finals for the Fall semester start on December 12, 2016. University policies state that I may for no reason ask for a modified date to take my final examinations and due to this reason, I must ask the City Council to consider my application alone. I am very sorry that I am not able to make the meeting and I hope it doesn't heavily impact my standing with the City Council.

Thank You,
Akash Patel
