Staff Report Addendum

TO: Honorable Mayor and City Council **DATE:** September 12, 2017
FROM: Scot Graham, Community Development Director
Cindy Jacinth, Senior Planner
SUBJECT: Adoption of Downtown Waterfront Strategic Plan for the General Plan/Local Coastal Program Update

ADDENDUM

An addendum to the Downtown Waterfront Strategic Plan (DWSP) is necessary due to formatting errors between pages 2.28 and 2.34 of the DWSP. Due to minor text changes in the "Projects" section, text shifted from the main body of the page into the margins in Sections 2.28 – 2.34 (pages 160-166 of the Council packet).

The document has been corrected and re-posted online to the City's website, with copies distributed to Council and printed copies available for the public at the City Council meeting. It is also available online directly at: <http://www.morro-bay.ca.us/DocumentCenter/View/11179>.
