

CITY OF MORRO BAY

Notice of Special Joint Workshop

The City of Morro Bay provides essential public services and infrastructure to maintain a safe, clean and healthy place for residents and visitors to live, work and play.

Joint Community Workshop

Saturday, June 23, 2018 – 1:30p.m.
Morro Bay Community Center – Auditorium East
1001 Kennedy Way, Morro Bay, CA

Addressing Morro Bay's Wastewater and Water Challenges

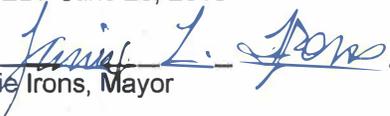

SPECIAL JOINT WORKSHOP AGENDA

- I. Learn from technical experts at information stations
- II. Presentation on project status
- III. Get answers to key questions with information from project team:
 - a. Why do we need a new plant in a new location?
 - b. What's being done to get the best value?
 - c. What are plans to improve current collection system?
- IV. Public Comment for Items II and III on the Agenda
- V. Review key alternatives for future water/sewer rates
 - a. Input from attendees on preferences for structure of future rates
- VI. Public Comment for any additional items related to the WRF project
- VII. Informal discussions and Q&A at information stations

Note: There will be a "Community Information" table in the auditorium where members of the community may place written materials for attendees to pick up as they wish. In respect for the workshop's objectives and discussions occurring according to the agenda above, that table will not be a venue for providing oral communications, promoting or soliciting positions and is not to be "staffed" by the City or anyone else. Its it simply a place for interested stakeholders to leave written materials pertinent to the WRF for others to review and take if desired. Any materials remaining at the end of the workshop will be discarded.

Although not required, there is a possibility a quorum of the City Council, Planning Commission, PWAB, CFAC and WRFCAC may attend this workshop at the same time; therefore, it is being noticed as a joint workshop for those bodies.
