The City of Morro Bay welcomes you to our community. We hope our versatility and picturesque qualities will suit your filming needs.

In accordance with Assembly Bill No. 4680, the City of Morro Bay has a policy governing requests for filming permits. This information packet has been prepared to assist you in meeting the requirement for filming in the City of Morro Bay.

Please complete the attached Filming Application and deposit form and submit to the Recreation Services Division at least 10 working days prior to the filming. Your application will enable us to determine the necessary safety personnel, equipment and insurance needs that must be available during filming. Upon compliance with the necessary permit needs, the Recreation Services Division will approve your request.

Upon approval of your filming request, the Permit Fee, a Certificate of Insurance, and an Endorsement in the amount of \$1 million must be received by the Recreation Services Division at least 24 hours in advance of the filming.

The City provides personnel for safety purposes, crowd and traffic control. Final authority for all safety matters is provided through the Fire, Police and Harbor Departments. Arrangements for barricades, posting of signs and cleanup will be provided as conditions of your permit. Costs for City Services and equipment will be estimated prior to filming and actual costs invoiced post event.

If you have any questions, please contact the Recreation Services Division at 805-772-6278.
